More Education for Assessors.

Salem—Another effort is now being made by the state tax commission to effect a more just and equitable assessment of railroad properties. A circular has been lately mailed to all the county assessors pointing out which property is assessed by the assessors themselves, under the laws of this state. It is essential that the assessors should understand the law, so that no railroad property will escape taxation, and also that none may be doubly assessed.

The executive office at Salem is in receipt of a long and incoherent letter again from William H. Unable to raise the money to pay a $900 filing fee, the United States has abandoned its plans of intervening in the adjudication of water rights on the Umatilla river, and will at present rest on the service of a notice that the government denies the right of the water courts to pass upon the appropriation of any water from that stream. The harvest of the cranberry crop in Coos County is nearly over and the yield this year is big. One small patch yielded cranberries at the rate of almost $5000 an acre. It was 16 feet long and 10 feet wide, and from it were taken six bushels of cranberries. If an entire acre was covered with vines yielding at the same rate, the acre would produce 1633 bushels. The berries sell for $3 a bushel this year, and this would be a yield of $4889. It costs for harvesting and for boxes a little less than $1 a bushel.

Stomach Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale-people lack good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach.

A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Laziness by taking a course of Dr. Pierce's Golden Medical Discovery—the great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of *unknown composition* as a substitute for "Golden Medical Discovery," which is a medicine OF KNOWN COMPOSITION, having a complete list of ingredients in plain English on its bottle-wrapper, same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.
