Why Take a Chance With Rain?

WHICH is best and safest—to be at the mercy of uncertain rainfall, or to have an ample supply of water always at hand to provide the best growing conditions for your crops? The decision is in your hands. You can be independent of rainfall. You can control the water supply on your farm by installing a pumping outfit operated by a dependable

I H C Oil and Gas Engine

The I H C engine line is complete. Every engine in it is thoroughly tested and guaranteed. It includes horizontal and vertical engines, air and water-cooled, stationary, portable or mounted on skids, in sizes from 1 to 50-horse power, or tractors in 12, 15, 20, 25 and 45-horse power sizes. I H C engines are made to operate on gas, gasoline, kerosene, naphtha, distillate or alcohol, using whichever fuel is cheapest or most convenient. Also, there are sawing, spraying and grinding outfits, etc. The same engine which does your irrigating will run any of your farm machines.

The I H C local dealer can secure the best engineering knowledge and advice. With his assistance you can put in an irrigating plant that will assure you the best chance of continuous success at a price you will be well satisfied to pay.

Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates but this is costly and not always sure. A better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping-cough and sore lungs make it a positive blessing. 50c and $1.00. Trial bottles free. Guaranteed by all druggists.

School Books.—

We wish to call attention of parents and pupils to the fact that cash must accompany all orders for school books this year. We must pay cash for these books, and as we make no profit on them we must receive cash when purchase is made.
