Sickness steals more savings than the burglar. Slowly, coin by coin, the money that has been so hardly earned is paid out for drugs and doctors. Sickness is the worst enemy of the working man, and the common cause of the working man's sickness is disease of the stomach often involving the heart, lungs, liver, or kidneys.

The use of Dr. Pierce's Golden Medical Discovery will stop the stealing of the savings by sickness. It cures diseases of the stomach and other organs of digestion and nutrition. It cures diseases of heart, liver, lungs, kidneys, etc., when these diseases are caused by the diseased condition of the stomach and its allied organs.

"About ten years ago I began to have trouble with my stomach," writes Wm. Connolly, of 335 Walnut Street, Lorain, Ohio. "It got so bad I had to lay off quite often two and three days in a week, my stomach would bloat, and I would belch up gas, and was in awful distress at such times. I have employed and been treated by the best doctors in the city but got no help whatever. By some way or other I happened to get hold of a vial of your 'Pellets,' and I thought they helped me. It was then I wrote to you for advice. You told me that by my symptoms you thought I had liver complaint, and advised the use of your 'Golden Medical Discovery' and 'Pleasant Pellets' in connection. These medicines I have taken as directed, and am very happy to state that I commenced to get better from the start and have not lost a day this summer on account of my stomach. I feel tip-top, and better than I have for ten years."

Accept no substitute for "Golden Medical Discovery." Nothing else is "just as good."

Dr. Pierce's Pleasant Pellets regulate the bowels.

Now I sleep like a top, can eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run-down people. Try them.
