A Coming Wedding.

From The Dalles T.M.

Hon. Arthur Hodges, county clerk of Crook county, and Miss Stella Gesner, will be married at the home of the latter in Salem on the 17th. Following is said to have been the proposal:

"My Dear Miss:—I hereby announce myself as a candidate for your hand, and I shall use all fair and honorable means to secure the nomination. I know there are many candidates in the field, and I hesitated long before entering the race, but now I am in to stay.

My views on love and matrimony have often been expressed in your hearing, and I will not repeat them here. You know I favor a gold standard of love—a 100 cent dollar love—and a maintenance of the standard after marriage.

If you decide to confer upon me the honor I speak of, please fix a date for a caucus with your mother. I have no objection to her acting as temporary chairman, provided it is clearly understood that I am to be chairman of the permanent organization. Should the result of the caucus prove satisfactory, we can soon hold the primaries and select the date and place of the convention.

"I have never believed in long campaigns, so if you have decided to honor me I will ask you to make the convention date as early as possible.

Devotedly Yours,"

And the young lady telegraphed back:

"Caucus unnecessary. Nomination unanimous. Come at once and fix date of ratification."

THE LADIES MUSICAL CLUB.

The next meeting of the Ladies Musical Club will be held next Monday evening at Frank's Hall. Each member is allowed to bring a guest. This is the first meeting of the new year, and it is intended that meetings be held every three weeks from now until June. A fine program for the season has been outlined. All interested in music can hear these concerts by paying the annual fee of $1.50 per person, and thus becoming associate members.

This club deserves the support of Eugene's music lovers, as it affords the means of cultivating a high class of music. It is largely through the efficient co-operation of Mr. Nash that the club has been enabled to attain the high degree of excellence which has characterized it so far.

PRIVATE MASQUERADE.

A very enjoyable masquerade was given at the residence of Mr. Philip Hohl on South Willamette street last night. The masquers were:

Mr. and Mrs. F. C. Potts, Mr. and Mrs. Geo. Landwelan, Mr. and Mrs Wm. Clark, Capt. Sachs and lady, Mrs. Geo A. Houck, Misses S. Kneeble, Nettie, Dessie, Annie and Kate Boller, Lizzie and Blanche Hohl, Messrs Chas. Goldsmith, Mike Wald, Chas. and Frank Smidt, Louis and N. Aya, Will Boller, Joe, Lawrence and Mike Heitzman, Roger Culling.

The Fortnightly Club held its last meeting for the fiscal year at Frank's hall this afternoon. An enjoyable time was had and the following excellent program rendered:

This organization held a very instructive meeting in Frank's Hall last evening. It is gaining in interest and membership.

AN ASTORIA TRAGEDY.

A Maniac Killed one Man and Wounded a Deputy Sheriff.

Special to the Guard.

ASTORIA, Jan. 23.—A terrible tragedy occurred near this city last night. Matt Hilstrom, a crazy man, shot and killed Lake Moore as the latter was trying to control him.

Early this morning the sheriff and a posse of deputies accomplished the capture of the insane man, though not without a struggle. Hilstrom fought furiously and shot William Beasely, a deputy sheriff, through the cheek, making an ugly flesh wound, but not serious.

Hilstrom is a raving maniac. The mania is hereditary, his father and two brothers having died in the insane asylum.

Loyalty to His Employer.

That young man who had a vein opened and a portion of his blood let out, so that it might save the life of his employer, set a remarkable example of heroism. The incident shows what power there is in good blood. As soon as the broken down system received the pure blood of this young fellow, the patient regained his strength. "The blood is the life." There is only one way to get good blood, and that is from the stomach. If it needs assistance, bring Hostetter's Stomach Bitters to the rescue This wonderful medicine aids it in its digestion of food, and furnishes the system with rich red blood. When this is done, health naturally follows.

PIANO LESSONS.—W Gifford Nash. Voice culture, Miss Marguerite Hansen, For terms, apply to music rooms in Dormitory.

IN TROUBLE

Willie Brownlee Arrested This Afternoon.

CHARGED WITH STEALING $225.

Willie Brownlee, a 17-year old boy, who has been acting as messenger for the Postal Telegraph and collector for Geo. F. Craw, local agent for the Oregonian, was arrested at the S. P. depot this afternoon as he was about to board the train north-bound. Young Brownlee has been closely watched for the past ten days by the officers, as about that time Mr. Craw missed $225 from his desk, and the lad had been kept under close surveillance. Chief of Police Stiles made the arrest. Brownlee had gone to the opposite side of the train from the depot platform to get on, and carried with him a large telescope well filled with new clothes.

Marshal Stiles brought the boy bac to town and he was searched in Justice Wintermeier's office. On his person was found a well-filled purse containing $161.90, together with a ticket to Salem, for which he had paid $2.85. He refused at that time to make any statement to the officers. Brownlee has been in trouble before, but this is by far the most serious charge with which he has figured. He had worked for Mr. Craw up to noon today, and was ostensibly going to Portland to accept a better position. The boy is known to have gambled during this time and has lost an amount which will correspond to the balance, less the amount found on his person and spent for clothes.

The officers deserve great credit for meritorious way in which they handled this case.

The preliminary examination of young Brownlee has been set for Monday morning at 9 o'clock, and he was placed under bonds of $750 to appear at that time. At the time of going to press the bonds had not been secured, and he will probably be placed in the custody of Sheriff Withers.

VANDERHOF CASE.

Sheriff Withers arrived from Corvallis this afternoon with F. H. Vanderhof, who is wanted for stealing a saddle and bridle from J. F. Powers and a coat from the Eugene feed yard. Vanderhof waived examination before Justice Wintermeier, and will be held to appear before the next circuit court under $250 bonds.
