FRIDAY - - AUGUST 10

M'KENZIE ROAD.

The commissioners' court has made an excellent selection of a superintendent to expend the citizens' subscription and county appropriation for the betterment of the McKenzie road. Now as to the manner of performing the work:

The GUARD does not desire to dictate, but an intimate acquaintance with the road, at all seasons of the year, is sufficient excuse for suggestions. Superintendent Young should employ an adequate force to rush the work through, so it will not get caught by a possible early rainy season. Besides twenty teams will do more work, in proportion to days employed, than five teams, if properly handled. There is a certain enthusiasm imparted to working crews with large numbers that is lacking where only a few are employed. Then a much larger amount of work will be accomplished in a long, dry August day than in the shorter chillier days, later in the season, when possibly rain will have made conditions for hauling much harder.

It will probably be August 15th before work can be started. When started it should be rushed to completion. Twenty teams one day will cost no more than one team twenty days. And the twenty teams will get the work done in the dry season when it will stay done.

Five thousand dollars will make an excellent road. No delay in the work must be permitted.

COUNTY JUDGESHIP CONTEST.

The fair and honest election of H R Kincaid as county judge of Lane county has been established beyond question. The precincts which his opponents depended upon to unseat him but added to his majority. The opinion expressed by an editorial in the DAILY GUARD of June 15 when rumors of a contest first became current, but were almost immediately contradicted, though without authority, are pertinent:

"KINCAID'S CHANCES THE BETTER IN A RECOUNT"

"It is reported that Mr Knox will not make a contest for the county judgeship. We believe a recount would increase Kincaid's majority. The election boards in some precincts were solidly Republican, the judges we mean, and none of them but had two of the three judges.

"If there was any question as to the intent of the voter the Republican election judges naturally gave their candidate, Mr Knox, the benefit of the doubt in counting. Mr Kincaid has nothing to fear from a recount of the votes."

After all it is a matter of satisfaction to Mr Kincaid and his friends that no question of doubt attaches to his right to fill the honorable office.

AND IT IS THE BRYAN IDEA.

Cardinal Gibbons in an interview in the New York World:

War having for its object the acquisition of territory by this government is not to be thought of. We want no empire in Asia. We must go on with the work we have in the Philippines. We stand committed to the establishment of a stable and popular government in the islands. Then our mission in that archipelago will be finished.

One of the American displays at Paris that is said to amaze Europeans is that of the warm blood which has been inherited from fighting sires by the Daughters of the American revolution. American girls need no written credentials to prove the directness of their descent.

Li Hung Chang needs a Salem Chinaman to help him outwit the allies. Ge Sun, a Salem celestial, has filed a petition in bankruptcy with $30 assets and over $6,000 liabilities. That is a smart Chinaman.

Chinese statesmen have as little regard for the truth as federal officials in Cuba have for honesty.

It is getting old-fashioned now among these Christian nations not be at war.

Chinese concessions are at somewhat of a discount at present.

Walking to Work

Is the only way in which the business woman, employed in store or office, can get open air exercise. Is it any wonder that she often grows pale and thin and develops a tendency to "weak lungs." Whenever there is pain in breathing, soreness of the chest, obstinate cough, bleeding from the lungs or any other symptoms of disease of the respiratory organs, begin the use of Doctor Pierce's Golden Medical Discovery and continue the use until cured. Ninety-eight in every hundred who have used "Golden Medical Discovery" for "lung trouble," have been perfectly and permanently cured.

"I was very sick indeed," writes Mrs Mollie Jacobs, of Felton, Kent Co., Delaware, "and our family doctor said I had consumption. I thought I must die soon for I felt so awful bad. Had a bad cough, spit blood, and was very short of breath. I had pains in my chest and right lung, I had dyspepsia. Before I took your 'Golden Medical Discovery' and 'Pleasant Pellets' I was so weak I could not sweep a room, now I can do a small washing. I feel like a new person."

Dr. Pierce's Pellets cure heart-burn.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent and got a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it at first it would have saved me a great deal of anxiety and my little daughter much suffering. Yours truly, MRS GEO F BURDICK, Liberty, R I. For sale by W L DeLano.

During the civil war as well as in our late war with Spain diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr David Taylor, of Wind Ridge, Greene Co, Pa., is one of them. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he has never found anything that would give him such quick relief. It is for sale by W L DeLano.

His Life Was Saved

Mr J E Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr King's New Discovery. One bottle gave great relief. I continued to use it, and now am well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure in the world for all throat and lung trouble. Regular sizes 50c and $1.00. Trial bottles free at W L DeLano's drug store. Every bottle guaranteed.
