Rich Copper

ORE JUST RECEIVED

CALUMET BUENA VISTA MINES, MILLING AND SMELTING CO., 209 Alisky bldg., are now offering our copper stock at 10 cents per share, par value $1.00, full paid and non-assessable. We have nine of the highest grade copper mines and claims in the Seven Devils district, Idaho. We have installed a complete steam and air compressor plant with machine drill. For the last 50 feet we have been taking out rich copper ores that assay from 65 to 70 per cent copper, and carry good values in gold, silver and lead. We have built a wagon road to the mines and expect to be shipping soon. A few dollars invested in this company may return to you thousands. This stock is sold in 100 shares ($10) and up. We have just received samples of ore and invite your inspection.

Warning

The Oregon Gold Hill Mining Co., owning the Gray Eagle mine at Gold Hill, Or., is organized under the laws of Oregon. There is a company of the same name organized in another state, but they do not own any interest in the Gray Eagle mine. We are informed that stock of the other company is being offered for sale or trade upon the reputation of the Gray Eagle mine. All persons are warned to investigate before completing any transaction for same.
