GLAD IT IS OVER.

If anyone should be glad that the presidential campaign is over it is the newspaper man who wants to fill his paper with news, and cannot because the people do nothing, talk nothing but politics for several weeks preceding the election.

Take the case of the DAILY GUARD. We have never made an exception to the rule that all other matter must give place to local news. Our reporters have a wide acquaintance with people from all portions of the county, therefore are in a position to secure the news. Let a country-man come into town, however, during the few weeks before the election, and before you could ask him a question he would want to known how the election was going. And he would not talk of anything else, knew nothing else. In despair the editor had to use the shears, and then it was hard to find anything but politics in exchange newspapers.

We are glad it is over.

SOME SUNFLOWERS.

Monmouth Correspondence, Independence Enterprise.

"I noticed an item in last week's paper about sunflowers, and will say there were some raised right in Monmouth this year which for size and quantity were exceptional. Some of the stalks were 17 and 18 feet tall, many of them bearing 15 small flowers and one or two large ones. One stalk had one large flower and eleven small ones, besides 53 buds, which grew all the way down the stock. Some of the flowers were very large, and a whole flock of small birds would settle on one while they devoured the seeds.

"This year we were rather surprised to see our cows leave their corn fodder and strip the leaves from the sunflowers, evidently preferring them. It invariably followed that after a good feed of the leaves the cows gave double the quantity of milk. We would like to know if it has ever been tried before among the farmers."

OREGONIAN JOURNALISM.

Talk about fake journalism! That anti-election estimate in the Oregonian of Monday was the rankest piece of work a journal which lays claim to veracity and respectability was ever guilty of.

As an instance it placed Lane county in the McKinley column with 350 majority. Four years ago Lane county gave Bryan 347 over McKinley. That is the only base to figure from. Any estimate that does not take that vote into consideration is mere guess-work. Farther the best posted men in Lane county, on both sides, hardly venture a prediction as to how the county goes today. The Oregonian started out to figure McKinley ten thousand majority in the state and Lane county had to be made give her proportion. That was how the Oregonian figured.

THE SHIRT-WAIST FARMER.

California Fruit World.

"We rise with a piece of useful information for the men-folks on the ranch, which may possibly affect their interests in reducing the expense of ranching. Next summer we are expected to wear shirt-waists, and the responsibility, instead of resting with the suspenders, will be on the shirt-waist buttons, and there will be no danger when you have to pick a dozen crates of strawberries before breakfast of 'busting the gallouses.'

"Then think of the time saved in not having to drop your work to hitch up your pants. The shirt-waist is designed not only as an ornament, but a great labor saver as well."

An American battle-ship, the Kentucky, is to steam across the Atlantic, the first of her class. A good deal of the Kentucky product, though, has crossed the Atlantic heretofore. It was usually inclosed in barrels, and was of the battle variety of liquids.

We venture the prediction that Oregon went for Bryan today—Oregon, we mean, exclusive of Portland where voters are bought like sheep.

A vegetarian journal says people ought to live well on 25 cents a day. It all depends upon how much the 25 cents will buy.

An American Battle-ship to Cross the Atlantic.

NEW YORK, Nov. 5.—European diplomats are interested in the passage of the battle-ship Kentucky through European waters, says the Herald's Washington correspondent. The Kentucky will be the first American battle-ship which has ever been across the Atlantic. When the battleships Oregon and Iowa left New York, the one for the Asiatic and the other for the Pacific Station, they steamed around the Horn.

The orders given the Kentucky required her to go through the Suez canal. It is expected she will arrive at Gibraltar in a few days, and that she will probably find there the gunboat Wilmington, which has left Teneriffe for that point.

Millions Given Away.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles of this great medicine, and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call W L DeLano, druggist, and get a free trial bottle. Regular size 50c and $1. Every bottle guaranteed, or price refunded.

Brave Men Fall

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless run-down feeling. But there's no need to feel like that. Listen to J W Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at W L DeLano's drug store. Every bottle guaranteed.

Red Hot From the Gun

Was the ball that hit G B Steadman of Newark, Mich., in the Civil war. It caused horrible ulcers that no treatment helped for 20 years. Then Bucklen's Arnica Salve cured him. Cures cuts, bruises, burns, boils, felons, corns, skin eruptions. Best pile cure on earth. 25 cents a box. Cure guaranteed. Sold by W L DeLano, druggist.
