MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

Miss Sarah Finley.

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui is used from in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending the use of Cardui. Wine of Cardui meets their wants as no other medicine does. It assists the young girl at the critical entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need.

You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.
