WE have been in Portland many years, have treated over 4000 patients and never had a death while under our treatments. We have invested more money in modern machines and electrical appliances than any physician on the Pacific coast. We get results in thousands of cases where other methods failed to help and have saved hundreds from operations after all hope had been given up. We will be glad to consult with you. We make no charges for that. We use no medicines and do not operate. We use every electrical and mechanical means, baths, massage, heat and light. We can cure the sick and have cured cases which others have failed. We occupy the entire north half of the third floor of the Rothchild bldg. Dr. W. E. Mallory, Naturopath.
