TUESDAY, AUGUST 15

While the Roosevelt administration will of course show a bold front in the effort to get the Chinese embargo on American agricultural and manufactured products removed, the statesmen to whom the duty of protesting falls cannot but feel the inconsistency of their position. We have about whatever tariff trusts and favored interests demand against foreign products, and then to think of our taking poor old China by the throat, as it were, and demanding that she may not retaliate for our exclusion of her subjects! These statesmen who discriminate against the Chinamen have the assurance to tell China that she should not discriminate against American products.

A good many of Portland's light fingered colored female population have invaded Astoria, and Astorians should hide their money.—Portland Journal.

Which, probably, has reference only to Astorians with a penchant for the society of colored females.

His Good Reason

A visitor at a lunatic asylum noticed one of the inmates walking about the grounds pushing in front of him a wheelbarrow turned upside down.

The visitor stopped him and inquired the reason for the unusual procedure.

"Why, you see," said the demented one, "if I turned it right side up they'd put bricks in it."

I used Cascarets and feel like a new man. I have not a number from dyspepsia and sour stomach more than two years. I will recommend Cascarets to my friends as the only thing for indigestion and stomach and to keep the bowels in good condition. They are worth $50 a box.

RHEUMATISM
COMMON IN SUMMER

The time to get rid of Rheumatism is in Summer while the blood is endeavoring to purge itself of all poisons and impurities, and the skin is active, with all the pores and glands open and able, in this way, to assist in the elimination.

Columbus, O., 1355 Mt. Vernon, Ave.
Six years ago I had a severe attack of inflammatory Rheumatism, and the doctors I had tried did no good. They changed medicine every week and nothing they prescribed seemed to help me. Finally I left off their medicine and began the use of S. S. S. My knees and elbow joints were swollen terribly, and at one time my hands were so swollen and painful that I could not close them when opened. I was getting discouraged, you may be sure, when I began S. S. S., but as I saw it was helping me I continued it, and today I am a sound, well man and have never had a return of the disease.
R. H. CHAPMAN.

The inactivity of the Liver, Kidneys and Bowels causes the refuse matter to remain in the system, which, coming in contact with the different acids of the body, forms uric acid to be absorbed by the blood and distributed to the different joints and muscles, producing the pains, inflammation and other distressing symptoms of Rheumatism. The wandering pains of the disease remind the sufferer that the poison is still in the blood and he should lose no time in getting it out. S. S. S. neutralizes the acid and makes the blood rich and pure. It tones up every organ and cures the disease permanently. S. S. S. contains no harmful minerals to disagreeably affect the system, but while curing the disease, builds up every part of the body by its fine tonic effect. Book on Rheumatism and any medical advice desired without charge.
