Fierce Statement

The Roseburg Plaindealer man evidently places little faith in the last bunch of Oregon legislators. Of course he doesn't include the Douglas county members, as his paper supported most of them. He says:

"There are always a lot of men sent to the legislature because they are good fellows, whose ability isn't large enough to win them a place of feeding hogs, should they apply to the men who vote for them. Count up the number of such you have voted for and then consider who is responsible for the mass of useless, unjust, meaningless and stupid trash that encumbers our statute books. Most all are guilty of casting such votes and they are a unit with the excuse that they did not know the man so well before as after. It is no excuse. It is the duty of an American citizen to learn something about the man he is selecting for a public servant.

"The last session of the Oregon legislature seems to have been particularly encumbered with a lot of these freak legislators, who are responsible for most of the erratic legislation of which the people now complain."

They take up much space telegraphing the news that a son of a New York multi-millionaire lost $40,000 in one night gambling at Saratoga. What of it? This forty thousand amounted to no more to this young sprig of fortune by birth, who probably never earned a ten-cent piece in his life, than ten cents to the man who earns his bread by the sweat of his brow. We hold our British cousins in much scorn for their reverence for titles, yet all the time follow our monied aristocracy with interested if not admiring gaze.

Board of Equalization.

Notice is hereby given that on the last Monday in August, 1905, the board of equalization will meet at the office of the county clerk of Lane county, Oregon, and publicly examine the assessment rolls and correct all errors in valuation, description or qualities of lands, lots or other property, and it shall be the duty of persons interested to appear at the time and place appoined, and if it shall appear to such board of equalization that there are any lands, lots or other property assessed twice, or in the name of a person or persons not the owner thereof, or assessed under or beyond its actual value, or any lands, lots or other property not assessed said board shall make the proper corrections.

Said board of equalization shall continue its sittings from day to day, until the examination and correction of the assessment rolls, as provided by law, shall be completed.

B. F. KEENEY,
Assessor of Lane County, Oregon.

OLD SORES
ROOTED IN THE BLOOD

Old Sores are the result of a deeply polluted, foul blood supply. The blood is filled with poisons, and as it finds an outlet through the ulcer, the surrounding parts become diseased and the sore eats deeper into the tissues and flesh and becomes a permanent trouble.

Some years ago while at work, I fell over a truck and severely injured both my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. In spite of this discouraging report I left off my treatment and resorted to the use of S. S. S. Its effects were prompt and satisfying. It took only a short while for the medicine to entirely cure up the sores, and I am as dead as the doctors intimated I would be, neither have the sores ever broken out again, and now twelve years have elapsed since which I have enjoyed complete health. Having been so wonderfully benefited by its use I can heartily recommend it as the one great blood purifier.

Salves, powders, plasters, etc., do no good, and the sufferer gets disgusted and often despairs of curing an old sore. The trouble is in the blood and until the poisonous matter that is keeping up the ulcer is driven out the place cannot heal. S. S. S. reaches these old sores through the blood by removing every particle of poison or impurity from the circulation and building up the system. It makes the blood healthy so that as it circulates to the diseased parts the tissues are strengthened and the sore can heal naturally and permanently. If you have an old sore or ulcer do not waste time with salves, powders, plasters, etc., but write for our book and ask for any medical advice you wish. We make no charge for either.
