WEDNESDAY, AUGUST 30

While the wagon carrying the heavy circus poles, coupled out probably thirty feet, stopped in front of the Guard office a few minutes Friday awaiting the loading of the foremost wagon at the depot, so the line of wagons could move up, we noticed it had five wheels. The fifth wheel was carried flat upon the coupling. They were prepared for the contingency of a wheel breaking down under the great weight.

That the horse has a pretty good head on him is patent to any one who even without personal experience with the noble animal has watched the unloading and loading of a circus train. Working at all hours day and night, then packed into their cars with only standing room, the question of rest is a serious problem to them. At the circus grounds last Friday horses were eating their hay lying down—taking rest and nutriment at the same time.

A new wireless telegraphic instrument, weighing but a pound and a half, and found by exhaustive tests to give better results than the more cumbersome machines now in use, has been invented at the Benicia, California, barracks by Hugh Annis, a young soldier of the signal corps. A fly walking on the outside of the box can be distinctly heard through the receiver at a distance of several feet. If placed on the ground the machine will record the footsteps of a man walking 100 feet away. The materials used in the construction of the instrument are simple. Annis is a graduate in electrical engineering of a polytechnic school at Terre Haute, Ind.

I am entirely cured and feel like a new man." George Kryder, Napoleon, O.

PURE BLOOD
INSURES A CLEAR SKIN

When Eczema, Acne, Tetter, Pimples, or other skin diseases make their appearance it is a sure sign that the blood is filled with humors and burning acids. These being forced through the pores and glands burn and blister the skin, producing the eruptions which are usually accompanied with intense itching, and are disfiguring and humiliating.

Years ago my blood was bad, as evidenced by skin eruptions on different parts of the body, and other symptoms, so I concluded to try S. S. S., knowing it to be highly spoken of. After using a number of bottles—do not remember now just how much my blood was thoroughly purified and enriched and I was relieved of all eruptions and manifestations of impure blood. I believe S. S. S. to be an excellent blood medicine, and any one in need of such a medicine would do well to use it. They will find it a perfect cure as it proved to be in my case. MRS. C. E. SHOEMAKER. Alliance, O., 516 E. Patterson St.

While external treatment relieves temporarily it does not reach the real cause of the disease, because it does not go into the blood. S. S. S., a perfect blood purifier, neutralizes these acids and humors, and by strengthening and toning up the Liver, Kidneys and Bowels, the natural channels of bodily waste, disposes of them instead of allowing them to be forced to the surface through the skin. S. S. S. is the greatest of all tonics for building up the entire system, increasing the appetite and helping the digestion. S. S. S. cures all skin diseases promptly and permanently, leaving the skin soft and smooth. Only by keeping the blood pure can we hope to have a clear skin. Book on Skin Diseases and any medical advice you may wish free of charge.
