BOY'S CONFERENCE AT SALEM A SUCCESS

Large Attendance and Good Time Enjoyed—Eugene Boy Elected Second Vice President—Next Meeting at Corvallis.

The Eugene boys who attended the boys' conference at Salem have returned home and report a splendid time. They were treated royally and the convention was a great success. About one hundred and sixty boys were present from all over the valley.

Albert Lewis, of Portland, was elected president, young Axley, of Salem, vice president, Andrews, of Eugene, second vice president, and Frank Anderson, of Albany, third vice president, Clay Parthar, of Corvallis, Norris Rodgers, of McMinnville, and Robert Minto, of Salem, secretaries.

At the morning session there was an address of welcome and talks on different phases of boys' clubs, one by Frank Anderson, of Albany, on what the boys' clubs can do for the church. At 1 o'clock the boys were given an excursion ride to Chemawa, followed by more addresses and a banquet at 6 o'clock. The M. E. church was packed at the evening session. Sunday sessions were held at 9 a. m., 3, 7:30 and 8:30 p. m., closing with a stereopticon lecture and farewell meeting.

The official attendance was 161, of which 24 were present from Albany, 17 from Corvallis, 22 from Eugene, 12 from Portland, 19 from McMinnville, and others scattering, besides a fine Salem delegation. One hundred and ninety ate at the banquet.

One of the best things of the convention was the address Saturday evening by Rev. Foulkes, the new Presbyterian minister of Portland.

The next convention will be held in Corvallis in May, 1908.

HATFIELD CONTRACTS TO PRODUCE RAIN

Hatfield, the rain-maker, who obtained considerable notoriety in California last year, is now at Wasco, where he has a contract for making six inches of rain by the 15th of July. During the same period not over two inches has ever been known. He is to receive $1500 for covering a radius of sixty miles. He has his machine on the ground and was to begin business today. What he wants is a big contract with the government. If he can make rain at will what is the use of irrigating ditches?—Albany Democrat.

BRONCHIAL TROUBLES

Yield Readily to Soothing, Healing Treatment of Hyomei.

Bronchial troubles are purely local. They cannot be cured by stomach dosing. They are caused by irritation in the air passages and can be relieved and cured by medicated air alone. In this lies the secret of the great success of Hy-o-mei in the treatment of bronchial troubles.

The Hy-o-mei medication, laden with nature's remedies, is breathed through the neat pocket inhaler that comes with every outfit, reaching every part of the bronchial tubes and killing at once the disease germs. It allays all irritation and heals the inflammation of the mucous membrane with astonishing rapidity.

Treatment with sprays, douches and atomizers in bronchial troubles is condemned by the best physicians, as they cause further irritation.

The first breath of Hy-o-mei's medicated air seems to sooth the inflammation, stop the cough, and thus relief soon becomes permanent and a cure results.

Hy-o-mei has made many remarkable cures in the worst and most chronic forms of bronchial trouble, and is sold by Hull's drug store with the same guarantee they give when Hy-o-mei is purchased for catarrh, that is, to refund the money unless the remedy gives satisfaction. The complete outfit costs but $1. m29

A LONG FELT WANT

While working in the largest dyeing and cleaning works on the coast and while there seeing lots of garments shipped from Eugene to be dye-cleaned, or dyed, and after investigating and going over the ground thoroughly we saw at once that there was a good opening for a first-class cleaning and dyeing works in Eugene, so we decided to put in a first-class plant and are doing well from the start. We are the only experts in this line north of San Francisco, and have had over 12 years' experience and guarantee all work. All articles dyed and cleaned by us are treated separately for sanitary purposes and done by hand. In this way we obtain good results and as no machinery is used in our work that will tear or injure the fabric.

Everything possible in cleaning or dyeing. Eugene Dye Works, 659 Willamette street. 'Phone Red 2861. C. Marx, Jr., manager.

Wonderful Eczema Cure.

"Our little boy had eczema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors, but no benefit resulted. By chance we read about Electric Bitters; bought a bottle and soon noticed an improvement. We continued this medicine until several bottles were used, when our boy was completely cured." Best of all blood medicines and body building health tonics. Guaranteed at W. L. DeLano's drug store. 50c.

MARRIED 29 YEARS, WANTS DIVORCE

Mrs. Susan Dixon, of Eugene, today began suit in the circuit court against her husband, James W. Dixon, for divorce on the ground of non-support and desertion. They were married in Allegheny county, North Carolina, in July, 1868. Mrs. Dixon also asks a decree of the court declaring her one-third owner of lot 1, block 8 of the original plat of Eugene, and 160 acres in sections 10 and 11, township 18, south, in Lane county. Williams & Bean are her attorneys.

OBITUARY

Mrs. Sigrid Aline was born in Forssa parish, North Helsingland, Sweden, September 11, 1828. She left her native country in the fall of 1846, arriving at her destination, Bishop Hill, Henry county, Illinois, in the spring of 1847.

February 10, 1850, she was united in marriage to Eric Aline and this union was blessed with two sons and one daughter. October 3, 1887, she, in company with her family, left Illinois for the West. She spent one winter in California and arrived in Eugene February 14, 1888, and had since resided at the present home, three miles northeast of Eugene, until her death, May 23, 1907. She suffered a stroke of paralysis November 26, 1900, from which she never fully recovered, and the 20th inst. she suffered another stroke which proved fatal.

Death came as a happy release from long years of patient suffering and she died in the happy hope of meeting her Lord and loved ones with all the redeemed on the beautiful resurrection morn. She was converted while in the old country, and has ever remained a true and faithful Christian, a faithful wife and loving mother. She was at the time of her death 78 years, 8 months and 12 days of age.

She is survived by her husband, son David, daughter Amanda, daughter-in-law and seven grandchildren, all of near Eugene. Also a sister in Bishop Hill, Ill., and a brother in Sweden, as well as other distant relatives.

The funeral services were held at the family residence May 25 at 1 p. m., Rev. D. H. Trimble, pastor of the Methodist church, officiating. Interment took place in the I. O. O. F. cemetery.

Summons.

In the Circuit Court of the State of Oregon for the County of Lane.

Oregon Eastern Railway Company, a corporation, Plaintiff,

vs.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the appoval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
