S.S.S. MADE FROM ROOTS AND HERBS

A SAFE AND RELIABLE BLOOD PURIFIER

In the time of our forefathers the forests and fields were the only laboratories from which they could procure their medicines. They searched out and compounded the different roots, herbs and barks into remedies, many of which have been handed down to succeeding generations, and continuously used with satisfactory results. Among the very best of these old time preparations is S. S. S., a medicine made entirely from roots, herbs and barks, in such combination as to make it the greatest of all blood purifiers. This absolute vegetable purity of S. S. S. makes it the one medicine that may be used without fear of harmful results in any way. Most blood medicines on the market contain mercury, potash, or some other strong mineral. These act with bad effect on the system, upsetting the stomach, interfering with the digestion, affecting the bowels, and when used for a prolonged period of time often cause salivation. No such effects ever result from the use of S. S. S., and it may be taken by children as safely as by older people. For Rheumatism, Catarrh, Sores and Ulcers, Malaria, Scrofula, Skin Diseases, and all other troubles caused by impure or poisoned blood, S. S. S. is a perfect remedy. It goes down into the circulation and removes all poisons, impurities, humors or unhealthy matter, and makes the blood pure and rich. It eliminates every particle of the taint of inherited blood trouble, purifies and strengthens the weak, deteriorated blood, and establishes the foundation for good health. S. S. S. is Nature's Blood Purifier, and its many years of successful service, with a steadily increasing demand for it, is the best evidence of its value in all blood troubles. Held Up For Admiration

One of our specialties is the cleaning of Fancy Vests, and, if necessary, the dyeing of them, also. We turn these out in such a style as makes the owner wonder how the transformation has been effected. Remember this when you have a vest that looks soiled and shabby. Our general cleaning and dyeing work is of a high character, and we do the work in record time at "too moderate" prices.

BOXING CONTEST RESULTS IN DRAW

MARCOLA PEOPLE TREATED TO EXHIBITION OF "MANLY ART"

(Special Correspondence).

Marcola, Nov. 6.— Mr. and Mrs. Charles Williams, of Walterville, are visiting friends and relatives at this place.

The boxing contest between J. E. Cunningham, of Roseburg, and A. Almasi, of Eugene, fought at this place, resulted in a draw after fifteen rounds of boxing. Not much damage was done to either, except that each wore black eyes. Almasi's science was hardly equal to Cunningham's heavy hits.

Carl Fisher, having sold his residence on Main street, is now building a nice log house. He has a very pretty location for such a building. It is near the foot of the hill with fir groves surrounding except in front.

Mr. Brown, agent for the Mutual Life Insurance Company, has been doing business at Wendling and this place this week.

Walden Trotter anr family have gone to Camp Creek to visit with his father.

Mummey & Garrison think they will have the school house ready so that school can begin next Monday.

"THE VANDERBILT CUP" UP TO THE MINUTE

A run of eight weeks at the Broadway theatre, New York, and of three months at the Colonial, in Chicago, is the record of the new musical comedy, "The Vanderbilt Cup," which comes to the Eugene theatre next Friday, November 8, with the same lavishness that distinguished its metropolitan run.

the big coast of 60 is said to contain nearly all of the original principals, augmented by a crowd of famous Broadway beauties, arrayed in the very latest sayles of motor apparel.

The musical numbers promise to be unusually catchy and include "My Little Chaffeur," "My Houseboat Beau," "The Light That Lies in Girlish Eyes" and "Somewhere in the World."

The story is an up-to-the-minute portrayal of life among the smart automobile set, and hinges upon the great Vanderbilt cup race, which is run at Mineola, Long Island, every year by the motorists from all over the world. The dialogue is said to be delightfully clever and much satire is indulged in at the expense of those auto enthusiasts who rush about the continent in their costly touring cars. Barney Oldfield's great idea, the real motor race on the stage, is a "big" feature of the piece. Two 90-horsepower racing machines, running at high speed, crash on the stage, amid all the roar, dust and excitement of a real race, and it is said the audience fairly get out of the chairs to see the finish

The engagement of "The Vanderbilt Cup" is for one night.

AS OTHERS THINK

Every One in Eugene Has a Right to His Own Opinion.

While every one has a right to his own opinion, yet it is always wise to consider what others think and profit by their experience.

Nothing makes life so miserable or interferes so widely with the usefulness of the average American as indigestion, and it is well for us to give fair consideration to what others think about this remarkable affliction.

Mr. Hull is positive that in Mi-o-na stomach tablets we have an absolute cure for indigestion and the many disagreeable symptoms that follow this disease, such as distress after eating, coated tongue, bad taste in the mouth, dizziness, flatulence, nervousness and debility.

His action in selling Mi-o-na on a guarantee to refund the money unless it cures shows plainly their belief in the value of the remedy. He takes all the risk, and there will be no charge whatever for Mi-o-na unless you are satisfied it has relieved you of indigestion.

STOVER'S IRRIGATION WORK AT ALBANY

A. P. Stover, government irrigation promoter, came up from Portland last night to look after the Albany experiment, which is being conducted on the Howard and Cockerham place, near the fair ground. Four carloads of tiling will be used on 40 acres. One carload is on the ground, another arrived today and two more will follow. It is proposed to raise all kinds of products, potatoes, etc., and note the effect or superior irrigation.—Democrat.

This is the project that was lost to Eugene through the lack of interest taken by the citizens.

BIDS FOR WATER BONDS SOLICITED

Sealed proposals will be received by the common council of the city of Eugene until 7:30 o'clock p. m. of January 6th, 1908, at which time at the council chamber in said city said council will open and consider such proposals for the purchase of the whole or any part of an issue of $300,000 water bonds of said city. These bonds will be issued in denominations of $100 to $1000, will be payable principal and interest in gold coin, will bear date January 1st, 1908, will be due Janutary 1st, 1948, with an option in the city to pay the same or any thereof on any interest day subsequent to January 1st, 1922, and will bear interest at the rate of 5 per cent per annum, payable semi-annually. These bonds are issued under authority of an act of the legislative assembly of the state of Oregon, entitled, "An act to reincorporate the city of Eugene and to repeal all acts and parts of acts in conflict herewith," filed in the office of the secretary of state February 18th, 1905, as amended by the initiative bill filed in the office of the recorder of said city July 1st, 1907, and approved by the voters of said city at an election held October 14, 1907. Further information will be furnished on application to the undersigned. The common council reserves the right to reject any and all bids.
