MEARS RESIGNS AS HEAD OF PORTLAND PORT COMMISSION

Members Refuse to Act on the Matter in Hope That He May Be Persuaded to Retain Position.

Coming as an unpleasant surprise to the members of the Port of Portland commission, S. M. Mears, president of the board since its reorganization about a year ago, tendered his resignation at the meeting yesterday afternoon to take effect January 1. Mr. Mears, who is the head of the Portland Cordage company, gave press of other business as his reason for tendering his resignation.

The commission refused to accept the resignation yesterday and postponed action in the matter until the next regular meeting. The members are reluctant to see Mr. Mears resign, because of his fitness for the position, and it is probable that an attempt will be made to dissuade him. Should Mr. Mears' resignation be accepted there will have to be an election of new officers and the appointments confirmed by the legislature at its next session.

An important piece of business settled by the commission at its meeting yesterday was that of free bar pilotage and free harbor moves for the vessels of the Hamburg-American fleet in connection with the proposed oriental service of that line from here. It was ordered that representatives of that company should be notified that this would be allowed where vessels of that fleet call here at least once a month. It is also possible that a free dock may be provided for inward cargo where a monthly schedule and current rates from Puget sound are maintained.

Another matter of supreme importance in connection with steamship lines running to and from this port was again brought up in the shape of bunkers here. A proposition was received from the Cleveland Hilson company, which has coal property near Tacoma, offering to furnish bunker coal to steamers here at the same rate as it is obtainable on Puget sound. This is contingent on the commission allowing them to free use of bunkers, and they agree to have 3000 tons here within 30 days. The proposition was placed in the hands of the coal committee, composed of Commissioners O'Reilly, Dodge and Goodman, for further consideration.

In the matter of the proposed dredging of the channel north of Sand island arrangements made with Major J. F. McIndoe were approved so that he could draft a contract and send it to Washington for approval.

A report was made to the commission through the Peninsula Industrial company stating that such progress had been made in securing the necessary $50,000 to meet a government appropriation of the same amount for the dredging of Oregon slough, that the amount would be collected by January 1. It is probable that the dredge Willamette will be assigned to the work.

There were several other matters of routine business that came before the commission for settlement and among different things was that pertaining to the effect of the eight hour law, as if the dredges are to come under that law it will increase expense of operation and consequently the tax levy.

LISBETH DELAYED A WEEK

German Bark Cruised Off Mouth of Columbia in Baffling Wind.

Cruising back and forth 200 miles off the mouth of the Columbia river, the German bark Lisbeth, Captain Jessen, was more than a week trying to get to the mouth of the river because of baffling north and northeast winds. The Lisbeth reached Astoria Tuesday, 44 days out from Callao, and arrived at the Kinnton ballast dock yesterday afternoon.

Captain Jessen says that fine weather was experienced until the Lisbeth arrived within 200 miles of the river, when she encountered a fierce northwest gale, which lasted 12 hours, during which she lay hove to for six hours. Following this she was delayed eight days in trying to get to the river. She will load a cargo of wheat for the United Kingdom under charter to Balfour, Guthrie & Co.

NAUPLIA OFF SAND

German Steamship Floated by Assistance of Tugs Tyee and Prosper.

Seattle, Wash., Dec. 13.—The German steamship Nauplia, which ran aground on the beach near Fort Worden yesterday afternoon, was floated again this morning with the assistance of the tugs Tyee and Prosper. The Nauplia is bound from Hamburg to this port, and will arrive here tonight. It is believed she is undamaged.

FAIL TO FLOAT DORA

Lines Part When Cordova Makes Efforts and Work Is Abandoned.

(Special to The Journal.)

Seattle, Wash., Dec. 13.—While the steamship Cordova was attempting to pull the wrecked steamer Dora into deep water at Seward yesterday, three heavy lines parted and the work was abandoned. The Cordova has been ordered to sail for Seattle today, and the little Dora will be left to her fate until the arrival of the steamship Northwestern, which calls from Seattle for Alaska ports this afternoon.

A heavy hawser will be sent to Seward on the Northwestern, and the efforts to float the Dora resumed. The little vessel lies in 12 feet of water at high tide, and her hold is now nearly filled.

ALONG THE WATERFRONT

In tow of the steamer Ocklahama, the schooner Albert, which reached the river yesterday afternoon, is on her way to Prescott, where she will load lumber for the Hawaiian islands.

Carrying lumber and passengers, the steamers Klamath and Yosemite are scheduled to sail from St. Helens tonight for San Pedro and San Diego.

The little bark Albert started taking her cargo of lumber for Napier, New Zealand, at the Eastern & Western mills this morning.

One first class passenger is included in the personnel of the Japanese steamer Nankai Maru, which reached the Banfield dock from Otaru this forenoon, as shown on the crew list handed to Immigration Inspector Barbour. His name is A. Yoneda. Including Captain K. B. Sakuma, the crew of the steamer numbers 48 men. She will discharge hardwood logs for the Emerson Hardwood company.

MARINE NOTES

Astoria, Or., Dec. 13.—Arrived down during the night—Barkentine Lahaina. Arived at 9:30 and left up at 11 a. m.—Steamer Beaver from San Pedro and San Francisco.

Victoria, Dec. 12.—Sailed at 4 p. m.—British steamer Bellgarno for Portland.

Astoria, Dec. 12.—Sailed at 2 p. m.—German bark Jersbek for Queenstown or Falmouth. Arrived at 2 p. m.—Schooner Alert from Long Beach. Arrived at 2 and left up at 5:30 p. m.—Japanese steamer Nankai Maru from Otaru. Arrived at 6 and left up at 7:30 p. m.—Steamer Camino from San Francisco. Arrived down at 8 p. m.—British ship Ravenhill and schooner Alvena.

San Francisco, Dec. 12.—Sailed at noon—Steamer Bear for San Pedro. Arrived at 8 p. m.—Steamer Geo. W. Elder from San Diego. Sailed at 5 p. m.—Steamers Willamette and Tamalpais for Portland.

Astoria, Dec. 13.—Cape line down.

Tides at Astoria Saturday—High water, 4:47 a. m., 7.1 feet; 4.02 p. m., 7.1 feet. Low water —10:33 a. m., 3.9 feet; 10:47 p. m., 0.7 foot.

STORM WARNING OUT

High Winds Reported From Points Along Coast Today.

High winds prevailed along the coast at an early hour this morning and at 7 o'clock the weather bureau ordered out southeast storm warnings for all seaports in this district. Delayed reports to the weather bureau stated that a maximum velocity of 60 miles an hour had obtained up to 5 o'clock this morning and a 7 o'clock report reached the office at 9:45 stating that the wind was southeast 65 miles, with rain, a rough sea and the channel obscured. The barometer was falling slowly. Line trouble has prevented other reports from exposed places in the district.

Let This Be a Year For Sensible Gift Giving

Toys and Knicknacks Won't Do It

Bring $20.00 or Even Less for a First Payment and Provide the Happiest Christmas and Innumerable Happy Days for Years to Come for Every Member of the Family.

Of course we started out yesterday to sell 12 pianos because it was the 12th day of the 12th month of the 12th year of the 20th century. But we sold more than 12. And no wonder. What more all-around acceptable gift could there be in any home than a fine piano or one of those modern player pianos, at our low prices.

There are new pianos to be had at Eilers Music House for $157 as good in every way as those offered elsewhere for $275. Two hundred and sixty-five dollars buys fine new pianos at Eilers for which $400 is demanded in stores that conduct business in the old-fashioned way.

There are player pianos for $415 and even for only $365, that are as good as those offered elsewhere for $550 and $585.

Never were fine pianos and player pianos of the highest order to be had so advantageously as they are this year.

Aren't we all of us realizing more and more each year, that sensible gift-giving at Christmas time provides the most satisfactory Christmas?

What could be more thoroughly appreciated by everyone in any home, from grandmother down to the little tots than a fine musical modern player piano with lots of music rolls.

Select one of these latest and best player pianos at Eilers Music House today or tonight. Make a deposit large or small as best suit your convenience, to show good faith; arrange to make payments for the balance next year under our liberal new partial payment plans, and then one of these fine new pianos or player pianos will be delivered now or whenever you say, as a Christmas surprise with lots of free music rolls.

There is the keenest sense of enjoyment in personally producing music upon one of these fine modern player pianos. There is no musical effect that cannot be obtained now by any man, woman or child on these player pianos. No longer is it necessary to devote long hours to practice and finger exercises. Investigate the reduced prices. Thanks to the Eilers modern methods, the days of fat, round piano prices have gone. We sell now for almost 30 per cent less than is asked by round-about dealers, factory-consignment houses and branch concerns. A lady yesterday looked at some player pianos, for which $900 was being asked at one of the numerous branch house concerns in the city that are making all kinds of numerous claims, she found here better instruments, beautiful and new, in almost endless variety for only $685. You will find here also a number of very plain cased, but highest-grade player pianos at only $518; $675 would not buy such high-grade quality elsewhere. And payments of only $12 a month buys them. This shows what the Eilers modern methods really accomplish.

Remember these prices include free music roll service, too.

There are so many "never-played" pianos in this town. We will accept such instruments at liberal valuation toward payment of one of the new Solo Auto Grands, or the player piano de luxe, or the Autopiano, or the Kimball Acmelodic, or the superb Chickering Flexotone player piano de luxe.

Never were player pianos of the highest order to be obtained so easily. Don't put off coming; also remember that all of our modern player pianos are guaranteed in every way.

No matter what extravagant claims are advanced elsewhere for this, that or the other make, or alleged improvement, remember Eilers Music House was the pioneer player piano house on the Pacific coast. Eilers have always been able to select the best of makes and the best is only to be found at Eilers Music House, which is now the Nation's largest, in the Eilers building at Alder street, at Seventh. Open every evening now.

Your Child's Health Your First Thought

If you have children, naturally your first thoughts are for their health. You certainly want them to develop strong, healthy constitutions. The most careful attentions must be given when children show the first symptoms of the many common ailments. Perhaps they are weakly and thin, or grow too fast, thus sacrificing strength. These and other apparently minor ailments may be the forerunner to a weak constitution for life.

Such children need Jayne's Tonic Vermifuge, which is essentially a children's tonic. First of all, it will properly care for the child's stomach. It will also improve the appetite, and will add strength to the other organs of the body. In cases of thin or impure blood, it increases the number of red corpuscles, enabling the enriched blood to keep the body healthy and strong.

Among the most common ailments that children develop is that of a disordered stomach, leading to an impaired digestion. In many cases this trouble is due to parasites in the intestinal tract. To correct such trouble, Jayne's Tonic Vermifuge is unsurpassed.

For more than eighty years millions of children have been restored to health through the use of this tonic. Insist upon Jayne's; accept no other. Sold by druggists everywhere. Dr. D. Wayne & Son, Philadelphia, Pa.

Yamhill Sanitary Public Market

LEADS WITH THE HIGHEST QUALITY AT THE LOWEST PRICE

Have you visited this market yet? You should come here tomorrow. The thousands of folks who are now our patrons are delighted with the very cleanliness, the ideal conditions of the market. In that one feature alone we are different from any similar establishment. We have the finest, largest, cleanest and most sanitary market in the Northwest. And our goods are **quality goods.** Only the best, the finest and the purest. Quality stands first. No poor or low grade merchandise is carried. Our prices are the lowest possible for the quality. Therefore we say: You will find here the highest quality at the lowest price.

Sugar Corn On the Cob

A rare treat in mid-winter is Monopole Corn on the cob. Young, tender, big, sweet, milky grains that carry with them that indefinable flavor of the fields and sunshine.

Sugar corn from the fields of Maine acknowledges no equal—and it is of such that our product consists.

Packed in one ear cans—also in large size of seven to eight ears. This truly superior corn is offered under Monopole Brand, cut from the cob and packed in the small tin of family size.

Your grocer has it or can get it if you ask for by brand.
