One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedies.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life as essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicine dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs, and to get its beneficial effects, always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—and Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same is for sale by all leading druggists throughout the United States in packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general supervision of the Company, and with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
