S.S.S. THE REMEDY FOR SORES AND ULCERS

The combination of healthful vegetable ingredients of which S. S. S. is composed, makes it an especially desirable and effective remedy in the treatment of sores and ulcers of every kind. Since an impure condition of the blood is responsible for the trouble, a medicine that can purify the blood is the only hope of a successful cure; and it should be a medicine that not only cleanses the circulation, but one that at the same time restores the blood to its normal, rich, nutritive condition. S. S. S. is just such a remedy. It is made entirely of healing, cleansing vegetable properties, extracted from nature's roots, herbs and barks of the forest and fields. It has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity in the blood. When S. S. S. has purified the circulation, and strengthened and enriched it, sores and ulcers heal readily and surely, because they are no longer fed and kept open by a continual discharge into them of irritating disease-laden matter from the blood. S. S. S. brings about a healthy condition of the flesh by supplying it with rich, nourishing blood and makes a permanent and lasting cure. Book on Sores and Ulcers and any medical advice mailed free to all who write.

BIG CORN SHOW AT OMAHA OPENED TODAY

Omaha, Neb., Dec. 9.—With formal exercises in which the governors of half a dozen states and a number of other distinguished men took part, the National Corn Exposition was opened today in Omaha, to continue until December 19. The exposition is undoubtedly the greatest display of corn and kindred products of the soil ever seen in this country.

The exposition buildings cover three city blocks. In these buildings are displayed samples of corn, alfalfa and other grasses and grains and a great variety of other exhibits, such as improved farm machinery and implements. The exhibits come from many parts of the United States, and some from Canada and Mexico. The cereal displays from Texas, Minnesota, Illinois, Iowa, the Dakotas, Kansas, Nebraska and Oklahoma are especially large and attractive.

The work of th eagricultural colleges and experiment stations in the different states is illustrated by interesting exhibits. During the ten days of the exposition there will be daily lectures on corn-growing and kindred subjects by representatives of the United States Department of agriculture, and instructors of the leading agricultural colleges. Another interesting feature will be the judging contests for students of agricultural schools, for which prizes aggregating several thousand dollars in value will be awarded. For the best displays of corn, wheat, oats, alfalfa and other crops a total of $50,000 will be distributed in premiums. The work of judging the exhibits was commenced today and will continue until the close of the exhibition.

Special railroad rates have been granted the farmers throughout the Middle West and Southwest, and the management expects a record-breaking attendance. In addition to the farmers the visitors will include hundreds of commission men, implement dealers and others interested in grain growing. Later in the week the exposition will be visited by a delegation of several hundred men representing the Chicago Board of Trade. Similar delegations will also come from Minneapolis, St. Louis, Kansas City, Sioux City and other large centres of the grain trade.

TENNESSEE BAD MAN GOES TO GALLOWS

Chattanooga, Tenn., Dec. 9.—Tomorrow is the date fixed for the execution in the Chattanooga jail of David D. Edwards, the man who caused a sensation at his trial last summer by declaring that he had killed so many men in his time that he could not remember the exact number.

The crime for which Edwards is to pay the death penalty is the murder of J. W. Davis, a foreman in the employ of William J. Oliver, the railroad contractor. The crime was committed last March, and was of a most brutal character.

Prior to the killing of Davis a number of men had wallen victims to Edwards' ready gun. It is believed that his victims number at least sixteen men, most of them negroes. Mrs. J. W. Davis, the widow of the last victim, has asked permission to spring the death trap when Edwards was executed. The request, of course, was refused, but it is said that relatives of the murdered man will be here from a dozen different states to witness the execution.

AMERICAN COLLEGE FIFTY YEARS OLD

Rome, Dec. 8.—The American College today entered upon the fiftieth year of its existence and in commemoration of the anniversary appropriate exercises were held. Mgr. Kennedy, the rector of the college, received many congratulations from the high ecclesiastics on the progress the institution has made and its prosperity.

The American College was founded through the generosity of Pope Pius IX., who, in 1857, purchased for $42,000 the Visitation Convent on Via Umilta, then occupied as a garrison by the French troops guarding Rome. The free use of the property was granted in perpetuity to the American hierarchy. Through the efforts of Archbishop Hughes of New York, $50,000 were collected in the United States and applied to the restoration of the house, which had been much abused during the occupancy of the soldiers. The college was formally opened on December 8, 1859, with thirteen students. This number steadily increased until at the present time the college has more students than any other institution in Rome.

EIGHTIETH BIRTHDAY OF MRS. S. J. SCOTT

Celebrated at Creswell on December 5—All Her Children Were Present

Creswell, Dec. 8.—On December 5, at her home near Creswell, Mrs. S. J. Scott celebrated her eightieth birthday. She was born December 5, 1828, in Shelby county, Ohio, and crossed the plains with her father, Rev. William Robinson, in 1847, riding the entire distance on horseback. Of a family of 10 children she and a sister alone remain. She was married to W. J. Scott on March 3, 1850, in Polk county, Oregon, by Rev. Wilbur. Of all the guests present at the wedding she is the sole survivor. Her husband died on August 11, 1896. She is the mother of 10 children, all of whom are living. She has 34 grandchildren, 27 of whom are living, and has 24 great-grandchildren, 21 of whom are living, and has one great-great-grandchild.

Perhaps the most pleasant feature of the occasion was that her 10 children were all present and partook of the sumptuous dinner she had prepared. The children are Mrs. D. B. Trimble and Mrs. R. E. Brown of Condon, Oregon; Mrs. M. J. Landers and Mrs. M. A. Brown, of Washington; Mrs. C. C. Hazelton, of Cottage Grove; Mrs. R. E. Dersham, W. W. Scott, J. R. Scott, S. Scott and R. F. Scott, of Creswell. Other relatives present were: Mrs. Ann Hubbard, L. W. Riggs and C. C. Hazelton, of Cottage Grove; Mrs. Bee Burson, of Beulah, Or.; Mrs. Mae Scott, Mrs. R. F. Scott, Miss Mearle Scott, Loyal Scott, R. E. Dersham, Ennis Dersham, Verna Dersham and Hubert Dersham, of Creswell, and Pemberton Brown, of Condon. Rev. Stratford was also present with his camera and succeeded in getting some excellent pictures. Mrs. Scott is a very active woman for her age and we hope she may celebrate many more such events.

PREPARING FOR 1909 ENCAMPMENT

Chicago, Ill., Dec. 8.—The national officers of the Grand Army of the Republic and the several affiliated organizations leave Chicago this evening for Salt Lake City, where they are to look over the preliminary arrangements made for the entertainment of the national encampment to be held there next September. On the way to Salt Lake City stops will be made at Omaha and Denver.

Among the members of the party taking the trip are Commander-in-Chief Henry M. Nevins and Mrs. Nevins, J. Kent Hamilton, senior vice commander-in-chief and Mrs. Hamilton; Colonel Frank O. Cole adjutant-general, and Mrs. Cole; Colonel J. Corey Winans, senior aide-de-camp, and Mrs. Winans; Mrs. L. Mary Gilman, national commander of the Woman's Relief Corps; Mrs. Genevieve Longfield Lane, national president of the Ladies of the G. A. R., and Miss Clara Hoover, national president of the Daughters of Veterans.

Medicine That Is Medicine.

I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters; a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Kiestler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at W. A. Kuykendall's drug store.

COFFEE

The best name for coffee is one that tells where the money's to come from, if you don't like it.

Your grocer returns your money if you don't like Schilling's Best—we pay him.

MOVEMENT TO PRESERVE THE FORESTS

Madison, Wis., Dec. 9.—Definite plans looking to the preservation of the forests of this section of the country will be considered and acted upon at the two days' meeting begun here today by the Lake States Forestry Association. The association was formed at a meeting held at Saginaw a year ago, at which the states of Wisconsin, Michigan and Minnesota were officially represented. This year Indiana, Pennsylvania, New York, Illinois and the province of Ontario were invited to join the movement.

The participants in the conference include state foresters, educators, business men and others. The various associations of lumbermen have also sent representatives to the meeting. Uniform measures for the protection and preservation of the forests will probably be introduced at the session this winter of the legislatures of the various states interested in the movement.

EXERCISES IN MEMORY OF JOHN MILTON

New York, Dec. 9.—In Earl hall, Columbia University, an interesting program has been arranged for this evening in commemoration of the three hundredth anniversary of the birth of John Milton. The Brooklyn Institute of Arts and Sciences has also arranged for an appropriate observance of the ter-centenary.

Boston, Mass., Dec. 9.—A notable commemoration of the tercenary of the birth of John Milton was held in the First church this afternoon under the auspices of the Massachusetts Historical Society. Charles Francis Adams presided and Hon. William Everett and Bliss Perry were among the speakers.

PORTLAND, MAINE, CHILD
Ill, Weak and Emaciated, Restored to Health by Vinol

"Our little daughter, six years of age, after a severe attack of the measles, which developed into pneumonia, was left painfully thin, weak and emaciated. She had no appetite, and her stomach was so weak it could not retain food. She lay in this condition for weeks, and nothing the doctor prescribed did a bit of good, and we were beginning to think she would never recover.

"At this time we commenced to give her Vinol, and the effect was marvelous. The doctor was amazed at her progress, and when we told him we were giving her Vinol, he replied, 'It is a fine remedy, keep it up.' We did so, and she recovered her health and strength months before the doctor thought she could." J. W. Flagg, Portland, Me.

Vinol cures conditions like this because in a natural manner it increases the appetite, tones up the digestive organs, makes rich, red blood, and strengthens every organ in the body.

Vinol is sold in Eugene by the Red Cross Drug Company.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutritive contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable or cross, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a *secret* nostrum as a substitute for this alcoholic medicine OF KNOWN COMPOSITION, not even though the substitute may thereby make a little bigger profit. Ingredients printed on wrapper.
