THOUSAND DOLLARS IN CHURCH IMPROVEMENTS

Congregational Church Has Been Renovated, Repaired and Beautified

The improvements being made on the Congregational church property represent an expenditure of about $1,000 and when they are completed the building will be much more handsome and convenient than before. The walls of the auditorium, the lecture room, the study in the basement and Sunday school room have been retinted and decorated, a new room has been built in the basement and a new porch has been built in front of the building. A cement walk will at once be built in front of the church and parsonage, the church will have a new roof and the two buildings will be repainted.

Under Rev. W. B. Pinkerton's pastorate the Congregational church has made a steady growth during the past two years and there are bright prospects ahead for the organization. The pastor and members are now preparing to entertain the state association which meets here on October 19 to 22 inclusive. Over a hundred delegates are expected to be in attendance. All will be entertained free in the homes of the members of the local church.

SUFFERING ENDED.

The Red Cross Drug Co. Sells the Remedy That Cured Stomach Trouble of 14 Years.

And best of all the Red Cross Drug Co. guarantees it to cure you or money back. Read this:

"I have been a great sufferer for 14 years, everything I ate gave me heartburns. I have never been able to get anything that would give me any relief until a friend of mine insisted on my taking Mi-o-na. I took a 50 cent box and I believe I am entirely well." F. M. Bryant, Newman, Ga., June 5th.

Mi-o-na is not a nostrum; it is the prescription of a celebrated physician who is a specialist in stomach diseases.

One clever woman called Mi-o-na the Sunshine Prescription because it changed her from a miserable, nervous dyspeptic into a bright, healthy, happy woman in a few weeks.

These little Mi-o-na tablets are surely wonder workers. They absolutely cure indigestion whether acute or chronic.

They stop belching, gas in stomach, and heaviness in a few minutes. Distress after eating vanishes as if by magic when one or two little Mi-o-na tablets are swallowed.

Only 50 cents a box at leading druggists everywhere, and in Eugene by the Red Cross Drug Co. Test sample free from Booth's Mi-o-na, Buffalo, N. Y.

The shop itself will be rearranged and refitted, and George Marx is now in Portland buying new fixtures, which will make it the neatest and best appointed shop of its size in the valley.
