BIG PREPARATIONS FOR FLYING CARNIVAL

Los Angeles, Cal., Jan. 8.—Preparations for aviation week, January 10 to 17, in this city, have proceeded to the stage where all the wild-eyed enthusiasts in the aviation and aeronautical world, as well as the absolute cranks, believe that it is their turn to get into the game and demonstrate what they can do, or rather, what they think they can. The mail that comes to the desk of Dick Ferris, chairman of the committee of events, is filled with offers from these people to do all sorts of impossible feats in the air during the meet, and some of these offers are positively humorous.

PUGILISTIC FAME DOES NOT CHANGE LANGFORD'S COLOR

Memphis, Jan. 7.—For the first time in 20 years, according to followers of Southern pugilism, a colored fighter applied yesterday for accomodations at a first-class hotel and was refused. Sam Langford, the Boston pugilist, who arrived for matches here, had his first experience of this kind in the south but made no demonstration.

BASKETBALL TEAM TO COTTAGE GROVE

The High school basketball team went to Cottage Grove this afternoon for a practice game with that city. The boys fear this will be their last game this year for their inability to secure a hall for their games here means that all games have to be forfeited. The Y. M. C. A. gym will hardly be finished in time.

Those who went south this afternoon were, Harry Stine, referee; Epps and Koch, right and left guards; Lester Koch, center; Hidden and Harlow, right and left forwards; Pengra and DeBar, subs.

Johnson promises to whip Jeffries in the first round, if he can, pictures or no pictures. This is pretty near an admission that in the Ketchel fight he prolonged the knockout blow in order to make good with the picture men, something that often makes the modern prize fight a travesty and fiasco.

A Wild Blizzard Raging

brings danger, suffering, often death, to thousands who take colds, coughs and lagrippe, that terror of winter and spring. Its danger signals are "stuffed up" nostrils, lower part of nose sore, chills and fever, pain in back of the head, and a throat-gripping cough. When grip attacks as you value your life don't delay getting Dr. King's New Discovery. "One bottle cured me," writes A. L. Dunn, of Pine Valley, Miss., "after being laid up three weeks with grip." For sore lungs hemorrhages, coughs, colds, whooping cough, bronchitis, asthma it is supreme. 50c, $1.00. Guaranteed by W. A. Kuykendall.

Grants Pass Observer: The private car used by J. P. O'Brien of the Southern Pacific, is labeled "01", Buckley's is "02", and Campbell's is "03". A short time ago these gentlemen made a trip down in this section with their three cars in one train and a new operator in a way station sent the following message to Agent Isham of this city: "There's nothing but Irish on this road. Campbell, Buckley and O'Brien just passed through in their cars the O'One, the O'Two and the O'Three, bound for Southern O'Regon." That operator deserves promotion.

Saved at Death's Door

The door of death seemed ready to open for Murray W. Ayers, of Transit Bridge, N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes; "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing forty pounds growing weaker, daily. Virulent liver trouble pulling me down to death in spitet of doctors. Then that matchless medicine, Electric Bitters, cured me. I regained the 40 pounds lost and am now well and strong." For all stomach, liver and kidney troubles they're supreme. 50c at W. A. Kuykendall's.

KASPARILLA

This sterling household remedy is most successfully prescribed for a "world of troubles." For derangements of the digestive organs it is a natural corrective, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthful activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value.
