AUTOMOBILES-ACCESSORIES 44 (Continued.)

A GUARANTEED REBUILT CAR.

In purchasing a Winton Six, which has been overhauled and repainted, you secure a beautiful, comfortable and substantial car at an exceedingly moderate price.

You obtain the standard products of Alexander Winton, the founder of the motor car industry in this country, and the world's first maker of six cylinder cars exclusively.

You obtain the same quality and workmanship that sells for $3500 in a new Winton Six at less than half the new price.

You get the greatest value obtainable; and, as compared with new cheap cars of cheap construction, you will find the value double and the price remains the same. No trouble to show you.
