Woman's Power Over Man

Woman's most [illegible] endowment is the power to awaken and hold the pure and honest [illegible] worthy man. When she loses it she loses [illegible] no one is the wiser, for I can know [illegible] she endures [illegible] ness and [illegible] of her sex [illegible] ganism [illegible] power to study the [illegible] of a man. Her general health [illegible] her good looks, her attractiveness, her [illegible] and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians has prescribed for and cured many thousands of women. He has developed a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No *honest* dealer will advise you to accept a substitute in order to make a little larger profit.

IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

IF I HAD ECZEMA

I'd wash it away with that mild, soothing liquid, D. D. D. Trial bottle, 25c. Relieves all kinds of skin troubles, cleansing away the impurities and clearing up the complexion as nothing else can.

Yes, if I had any kind of skin trouble I'D USE D. D. D.

THE REAL SECRET OF MONEY-MAKING

Is in the saving of it, and the successful mode of savings is found in the savings bank.

Ask your rich neighbor the secret of his success. He will doubtless tell you that it had its beginning in the habit of saving.

One of the objects of this institution is to provide a place for those who wish to save their money—a place where they can profitably employ their funds without danger of loss.

We pay interest at the rate of 3 per cent, compounded semi-annually, on savings account, and 4 per cent on time certificates of deposit, and also transact all branches of commercial banking.

Appeal for Attention

You, who have a horse, realize that, outside of your immediate family, he is your best friend—inasmuch as all that he receives for his services is his feed and the attention given him. Would it not be humane to protect him from the weather by blankets—remove the mud from him with good, stiff brushes and provide him with a collar that will not hurt his shoulders? Study his needs. He can't tell you, but he does what you tell him.

The loss of a good horse would mean more than the cost to provide for him.

The Chas. Foster Imp. Co.

carries everything for the horse. Don't fail to call and see the line of BLANKETS, COLLARS, HARNESS, BRUSHES, ETC.

Supplying your wants is our pleasure.
