AFTER you have looked at all the ORDINARY kind of used cars in town—investigate the kind of used cars offered by

The Winton Company They're Different

Our used cars have been put through a very thorough system of repair. They are not in the ordinary class of used cars and will stand the

Acid Test

Do not be content with a mere demonstration. We invite you to examine the motor for compression, power and quietness, examine the transmission and differential and all the working parts for wear, test the wheels, steering mechanism, in fact allow us to prove that our used cars ARE thoroughly overhauled.

You can SEE the care we have taken to give our customers a GOOD LOOKING, UP-TO-DATE, NEWLY PAINTED car; a used car that for the price of a cheap car, which never had ANY high grade material in its construction, will give you highest quality of material and workmanship.

You'll Be Proud to Own One of Our Kind of Used Cars,

because of the system we employ in renewing them, a system that strives to start you out with a car that will require no immediate expense to you except for gasoline and oil.

The Tires Are New

The top is in A-1 shape. The car is fully equipped with tools, jack, tire rack, speedometer, most of them have self starters and best of all, we embody in our contract of purchase a

Written Guarantee

which insures you against flawed materials.
