MRS. CORDLE'S DAUGHTER LIKE A DIFFERENT GIRL

Since Taking Lydia E. Pinkham's Vegetable Compound

DAUGHTER OF MRS. G. H. CORDLE
833 Hazel St., Macon, Georgia

Macon, Ga.—"I am taking Lydia E. Pinkham's Vegetable Compound and feel much relieved and I am giving it to my daughter, too. At twelve years of age she was so pale that even her lips had no color. She couldn't hold out to do any work to amount to anything. I gave her the Vegetable Compound and now at 13 years of age she is like a different girl. We are willing for you to use these facts for a testimonial as we cannot praise the Vegetable Compound too much. We will continue to take it and tell of its wonderful value."—Mrs. G. H. Cordle, 833 Hazel Street, Macon, Georgia.

Will Answer Letters

"I am a young mother, eighteen years of age. From early girlhood I suffered terribly because of a run-down condition. My mother advised me to take Lydia E. Pinkham's Vegetable Compound to see if it would help me, as she was worried. I did, and now I feel fine. After suffering for five years like I did and then taking nothing but the Vegetable Compound, you may be sure I am recommending it to others. I am willing for you to use anything I say as a testimonial and I will answer letters from any woman wanting to know about the medicine."—Mrs. Dewey Moore, 327 Broderick St., Columbus, Ohio.
