You are needing some stationery printed, are you not?

The News does printing.

Make Hay While the Sun Shines

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers that are so sure to follow. So it should be with every household. Dysentery, diarrhoe and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known remedy for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by the Estacada Drug Store.

There is printed this week a program of the exercises to be held at Mt. Zion church grove on Saturday of this week. If you are going keep this for your convenience. Refreshments will be for sale in the grove, and dinner will be free to all.
