OBYES

We were so surprised in selling used cars last week as a result of an advertised reduced price sale that we have decided to run the sale for another week. Several good cars have recently been added to our stock. This week we specialize on light late model cars, Fords, Maxwells, Dodges, Buicks, Saxons, etc. Prices have been reduced to a minimum. The Obye system of a square deal ALWAYS has made it possible for us to refer prospective customers to thousands of satisfied used car owners who swear by Obye. We are crowded for space in both our stores, this is our reason for reducing prices at this time.
