WOOD MATERIALS IN SHIPYARDS ARE SELLING RAPIDLY

Supplies and Sales Division Proceeding With Cleanup; To Sell More Ship Tonnage Soon.

In the past few days considerable "mopping up" has been done by the supply and sales division force of the Emergency Fleet corporation in selling lumber remaining at some of the yards on the coast from wood ship construction, and virtually all of the fir and hardwood in the Portland zone has been disposed of.

At San Francisco, a large amount of piling and lumber was sold. It had been left at the Liberty yard, Alameda, when orders were issued to cease work a year ago.

FIR MATERIAL CLOSED

Fir material at the plants of the Coast Shipbuilding company, Kiernan & Kern, Supple & Ballin Shipbuilding corporation, G. M. Standifer Construction corporation and at the Columbia City yard of the Sommarstrom Shipbuilding company was also closed for, as well as oak at the Supple & Ballin, Standifer and Sommarstrom properties.

There has been a noticeable increase in inquiries and sales of vessel equipment since the opening of 1920. About half of the equipment embraced in the Sanderson & Porter plant at Raymond, Wash., has been moved.

A. D. Lundgren of the Portland office is in charge of all sales at Aberdeen, and he reports that many individuals and firms have obtained equipment since the sale was opened there early in the month. The financial returns have been heavy and close to $75,000 was taken in for the week ending Saturday. Sales on the coast for the week were approximately $250,000.

O-W. DOCK CUT WORK STARTED

Prepared to leave North Portland harbor this evening the Port of Portland dredge Tualatin will likely start work on the O-W. dock cut Tuesday or Wednesday, according to an announcement made by Superintendent Polhemus of the port commission this morning.

The Tualatin is prepared to make a channel of from 30 to 32-foot depth in front of the O-W. dock. The channel is now about 26 feet deep. It is indicated by the emergency work which is being carried on at the railroad company's dock that larger vessels will supplant the Rose City on the San Francisco-Portland run in the near future.

Two Leave for Orient

Carrying a total of about 8,500,000 feet of timber, two steel freighters operating under different shipping companies left down river at noon today, each bound for ports in the Far East. The steamer West Kader, which came to Portland from San Francisco to load lumber at the Inman-Poulsen mill for Shanhkai, China, was the first to leave port and had 4,166,781 feet of lumber. The Kader is owned and operated by Sudden & Christensen and local arrangements were in charge of A. C. Stubbs of the Columbia-Pacific company. The West Hartland, a locally constructed steamer, left soon after the Kader, with approximately 4,200,000 feet of timber. She is operated by the Pacific Steamship company.

Goodrich Arrives Tuesday

The steamer Admiral Goodrich, which was substituted on the Pacific Steamship company's service between San Francisco and Portland for the Curacoa, left San Francisco at 4 o'clock Saturday afternoon for the Columbia river and will likely dock at Portland Tuesday.

Rose City Schedule Longer

Announcement was made by the San Francisco & Portland Steamship company this morning that the Rose City in the future would operate between Portland and San Francisco on a 10-day schedule instead of a nine as in the past. The next sailing from Portland is now set for Wednesday February 4.

ALL ALONG THE WATERFRONT

The schooner Mindora left San Francisco Sunday afternoon for the Columbia river, to load lumber for Australia for J. J. Moore & Co.

The Meashfield is expected to arrive in the Columbia river Tuesday from San Francisco to load ties for England. The vessel is under operation of the Pacific Steamship company.

Shake Hands

—with Mr. Partial Payment Bond, Mr. Ordinary Individual. He is here to acquaint you with the soundest and safest and most profitable method of saving yet devised. He represents a system for taking up the good work of "invest-as-you-save"—which your Uncle Sam started with his War Bonds.

enable one to pay $10 down and $10 a month on any good Municipal Bond that he or she may choose. The bond will draw from 5 to 7%, depending upon his selection, and while he is paying in his money—it will be earning the same interest as the bond.

Send for our complete descriptive booklet explaining the details of this "Copyrighted" plan of investing as you save.

Dr. Morrow Speaks To Jackson Club on Democratic Meeting

Dr. J. W. Morrow, Democratic national committeeman for Oregon, will be chief speaker at the monthly meeting of the Jackson club this evening in Central library hall at 8 o'clock. He will give members of the organization his report upon the meeting of the national committee and the national Jackson day banquet, which he attended in Washington.

Emigh Denies That He Is an I. W. W.

J. F. Emigh, Butte attorney, who is associated with the defense of the 26 men accused of criminal syndicalism, Saturday denied that he was a member of the I. W. W., as printed in The Journal January 21. Emigh, who says, on the contrary, he is a member of the American Legion, asserts that his only connection with the I. W. W. is in the present case, and that a false report has been circulated as to his membership in that body because of that association.

6% Municipal Bonds at Par

Before purchasing with our own funds the following new issues of municipal bonds, we subjected their security and legality to the exacting scrutiny of recognized experts. We therefore recommend them as dependable investments:

$19,500

Judith Gap, Wheatland County, Montana

Improvement District 6% Bonds

$ 6,500 Registered December 19, 1919
$13,000 Registered January 8, 1920

Denomination $500

ESTIMATED MATURITIES

Amount	Due	Amount	Due	Amount	Due	Amount	Due
$ 500	1921	$1,000	1924	$3,000	1927	$3,000	1929
1,000	1922	1,000	1925	3,500	1928	3,000	1930
1,000	1923	2,500	1926	.....	....	.....	....

Judith Gap is the commercial center for one of the richest agricultural sections of Montana.

$8642.56

City of Greybull, Wyoming

Improvement District 6% Bonds

Dated January 1, 1920
Denomination $500, except two fractional bonds

HELP WANTED—MISC. 49

NOTICE, AUTO STUDENTS
THE ADCOX SCHOOL ORIGINATED THE FREE TRIAL OFFER. A thorough investigation will satisfy you that schools trying to IMITATE OUR METHODS have nothing but a WEAK SUBSTITUTE TO OFFER.
HERE'S HOW WE PROVE IT
Come here four weeks—pay not a cent in advance. If you are then satisfied that our training is the superior of any other Pacific Northwest auto school, pay your tuition. If you are not satisfied that our school excels, we will pay you for every hour you have attended class. This is the most startling offer any auto school ever made. There is no red tape to it—we gladly will put it in writing. We are willing to depend entirely upon your honesty and good judgment. Only a different, unquestionably superior school could make such an offer. If our training were just the ordinary kind, this offer would be suicidal. But we know where we stand—know that the quality of our training will win you if given a trial. We will make you an offer that you cannot afford to turn down. The details of this unusual offer and full particulars of the remarkable Adcox course are found in a large, impressive book which has just lately come from the press. Those who have seen it pronounce it the most finished work of its kind ever published. Tells why automobile schools are different—why Adcox graduates are successful—tells you how to judge an automobile school—what counts and what is sham. It will make you a friend of the Adcox school the moment you start to read it. It costs us 65c, but we will send it to you absolutely free for the asking. Call in person at the school or send us your name and address and your copy will come through by return mail.
OREGON EX-SERVICE MEN
