HOROSCOPES

by Stella Wilder

SATURDAY, JUNE 4, 2022
YOUR BIRTHDAY by Stella Wilder

Born today, you are quick to understand even the most difficult of concepts, and quite adept, too, at instructing others in the ins-and-outs and subtleties of those same concepts. Most of your learning is hands-on, and though you may be something of a reader, you much prefer the excitement and involvement of experience to the dry monotony of written instruction. Your instincts are keen, and you know very well how to approach people in a way that makes the most of your connection.

SUNDAY, JUNE 5

GEMINI (May 21-June 20) -- The more you feel you have to prove today, the more likely you'll be to make unforced errors. Remain calm and do things by the book.

CANCER (June 21-July 22) -- You may clash with someone whose expectations are dramatically different from your own. Who is in the right? You know what's possible!

LEO (July 23-Aug. 22) -- You can get things done without attracting any attention to yourself, but is that what you want today? An audience can give you pleasure.

VIRGO (Aug. 23-Sept. 22) -- Others are doing things that seem quite interesting to you -- but once you get a closer look, you'll understand why you're not participating.

LIBRA (Sept. 23-Oct. 22) -- You and a friend have something to work out today, and until you do, you'll find that you're often at cross-purposes. Sit down and talk.

SCORPIO (Oct. 23-Nov. 21) -- Treat yourself to a rare pleasure today and you'll feel much better about what you have to do tomorrow. Give-and-take is a good thing!

SAGITTARIUS (Nov. 22-Dec. 21) -- You may receive an unusual offer today, and you'll find yourself giving it serious consideration, despite it being all but impossible.

CAPRICORN (Dec. 22-Jan. 19) -- Give another a little of what you have plenty of today and you may start something that can make a difference to your entire community.

AQUARIUS (Jan. 20-Feb. 18) -- You're in the clear and able to do much without so much as a single objection -- though someone may be keeping a suspicious eye on you.

PISCES (Feb. 19-March 20) -- You want someone else to make the decisions today, as you're in the mood to sit back and enjoy what comes -- but some effort is likely required!

ARIES (March 21-April 19) -- You may have to gather your things and get on the road sooner than you had expected -- but this benefits someone close to you in need.

TAURUS (April 20-May 20) -- Show others what's possible and they're likely to do more than follow in your footsteps. You may start a whole new creative movement.
