CHANDLER CARS

We are doing our share towards relieving the car shortage by rebuilding Chandlers in our shops. These cars are repainted, look and run like new and are covered by guarantee the same as a new car. The price is considerable less. We have a few now ready for delivery—touring cars, roadsters and two of the always popular Dispatch models. One of these Dispatch models will sell early. It's a car we think a whole lot of, having been used by us not as a demonstrator but as a private car. Nothing was spared in rebuilding this car to put it in the best possible shape to satisfy its new owner. Come early to have a look at this car even if you prefer another model.
