SALESMEN WANTED 68

SALESMAN WANTED

In the Portland district we have territory where we can place at once a strictly high-grade salesman who has a record of well-demonstrated merchandising ability over a period of several years. We manufacture WHIZ BRAND automobile chemical specialties, and sell direct to the automobile and hardware trade. Our factory branch at address below carries a complete stock of this big line, which numbers about 60 specialties, insuring prompt deliveries to the trade. This is a real opportunity for a salesman willing to make a permanent connection, either on salary or commission basis. Phone Broadway 4062 for interview appointment. The R. M. Hollingshead Co., 19th and Upshur sts.

EXPERIENCED, clean cut, stock salesmen, or wide-awake, successful life insurance men wanted to sell stock in Oregon of the Western Rubber Company of Tacoma, Wash. Here is your opportunity. Few companies offering stock possess that intangible something that sells. Rubber is the fourth largest industry today, and the manufacture of tires one of the most profitable. The company already has physical assets in excess of $500,000, its factory is completed, the machinery installed, and approximately $80,000 of raw material on hand, and we are on the eve of commencing operations. Additional working capital is desired, and we have been permitted under the blue sky law of this state to sell $150,000 of stock here in Oregon. This a half million dollars has been raised in Washington within the current year, shows that the investment has real merit, and it goes without saying that our salesmen there have had remarkable success. Our success will be continued here in this state. Get in touch with us at once. If your inexperienced or if your record is not clean, please do not apply. Otherwise call or write to us at 903 Northwestern Bank bldg., or phone Marshall 467.
