USED CAR SNAPS

There are two kinds of used car snaps—the kind that are bought because of price, without regard to condition—and the kind that give the buyer such service than sooner or later he realizes that he bought his car at a snap. The latter are the kind of used cars that we sell. We will not trade in junk. When the cars need overhauling we overhaul them; when they need repainting it is done. You can depend upon what we tell you in regard to our used cars.
