A HIGH GRADE USED CAR IS BETTER THAN A CHEAP NEW ONE

We have often made this statement and it has never been so true as now when small cars are selling at advanced prices. For the same money we can sell you a used car which when new cost many times the price of cheap new cars. These cars, many of them, have been overhauled and repainted in our own shop. They have thousands of miles of satisfactory service in them and are genuine values at our prices.
