Ambassador Choate has arrived in London and got a glimpse of the task he has before him, of living up to the advance notices of him as a "funny man."

„Bob" Ingersoll has changed his tack a little, his latest lecture being on "The Devil". Lots of folks think that "Bob" will be better posted on this subject after his death.

It seems that the Spaniards cannot tell the truth even when they are not personally interested. Gen Rios, former Spanish commandant in the Philippines, cabled his government that the Filipinos had whipped the Americans.

Cures proved by the voluntary statements of thousands of men and women show that Hood's Sarsaparilla actually does possess

Power over disease by purifying, enriching and invigorating the blood, upon which not only health but life itself depends. The great

Success of Hood's Sarsaparilla in curing others warrants you in believing that a faithful use of Hood's Sarsaparilla will cure you if you suffer from any trouble caused by impure blood.

Dave Graham, the popular composer and Director of Music at Harrigan's theatre, says:

New York, March 1st, 1898.

Messrs. John F. Stratton.

Dear Sirs—I have given your Russian Gut Violin Strings a thorough trial, and am pleased to state that they are the best toned and most durable strings I have ever used.

Yours resp., DAVE GRAHAM.

Why

Do people buy Hood's Sarsaparilla in preference to any other,—In fact almost to the exclusion of all others?

Because

They know from actual use that Hood's is the best, i. e., it cures when others fail. Hood's Sarsaparilla is still made under the personal supervision of the educated pharmacists who originated it.

The question of *best* is just as positively decided in favor of Hood's as the question of comparative sales.

Another thing: Every advertisement of Hood's Sarsaparilla is true, is honest.
