Alberta bungalow of 4 rooms and complete bath, hardwood floors, exceptional built in conveniences, full cement basement, laundry trays, floored attic. This is the best little home I have inspected for several months at $2700; about $600 cash.

O. A. PEARCE,
815 Chamber Com. Main 3638, Sellwood 1115.

ONLY $2600, and say, this is on East 12th st., close to the corner of East Washington st., walking distance. You don't care to take a car, streets all paved, every improvement in and paid for, where there is an established value in good times or bad for lots in this locality. A very substantial 5-room cottage, not new, but in good condition; nice yard, small garden, cement sidewalks and curbs, has the right facing, fronts east. A chance to own your own home in a fine district and with a very small payment down. Think of it, only $500 cash and the balance like rent. Only $25 per month at 6 per cent interest, besides you are buying this property for $1000 less than its real value in any kind of times, thereby insuring yourself of profit on the investment. Don't let this escape your attention. M. J. CLOHESSY, ABINGTON BUILDING.
