INDUSTRIAL NOTES.

(Portland Correspondence).

Representing Chicago, the greatest live-wire in the business world, a special train load of prominent business men of that city will visit Portland this week. The visators are well known members of the Chicago Association of Commerce and represent millions of capital. Every one is a great human dynamo of energy. The excursionists have decided to quit going to Europe and to see the resources of the Pacific Northwest.

The Chicago party will reach Portland on the morning of June 10th. The visators are accompanied on the trip by a number of correspondents for the Chicago newspapers who will write up the trip and the Coast country. Complete entertainment for the visiting business men has been mapped out by the Portland Commercial Club and a special Committee is in charge of arrangements. The Chicagoans will be guests at the Rose Festival, and auto rides about the city will give them a good idea of Portland.

President Taft will be the recipient this week of a handsome bouquet of Oregon roses, sent by the management of the Portland Rose Festival. The flowers are in acknowledgement of the President's interest in the Festival aud his compliance with the wishes of the management in touching a button at the White House on June 7 and formally opening the annual carnival of roses. The bouquet will be presented by Senator Bourne and Chamberlain and will probably grace the President's table upon their arrival.

Oregon's summer vacation possibilities are practically unlimited. This is shown by a recent announced by Secretary Stone of the Portland Y. M. C. A. in outlining summer plans for that institution. He proposes a diversity of outings for members. They include the senior hike to Tillamook from Portland, the ascent of Mt. Hood by another party in July and a summer camp for employed boys on Ross Island in the Willamette near the city for 15 days during the summer. Here are vacation stunts to suit various tastes. A snow covered mountain and the ocean, both within striking distance of the city, show Oregon's outdoor attractions. Yet there is probably no part of the state that cannot offer similar tempting vacation opportunities.

A banquet for the Indian War Veterans of the North Pacific Coast, given by the Sons and Daughters of the Indian War Veterans, will be held in Woodman Hall, Eleventh Street, between Washington and Alder, on June 10th. Mrs. Charles Henry Chambeau, president of the order, will superintend the banquet and entertainment. The reception committee is composed of Mrs. S. M. Parrish, Mrs. B. A. Chambeau, Mrs. T. A. Wood, Mrs. Wishard, Mrs. Otto Kleeman, H. Wood and J. C. Proebstel. The tables will be in charge of well known members of the organization.

HONOR IS GIVEN TO CHAMBERLAIN.

Everything comes to him who waits, and to George Chamberlain, Oregon's junior Senator, and a member of the minority party, has been given the greatest honor the National Retail Grocers have conferred on any man outside of their own trade, says a Portland exchange. He has been selected as the Senate leader in the fight on the tea tax, proposed under the tarriff bill. The retailors are unalterably opposed to the proposed advance of 5 cents on this article, and passed resolutions to that effect this morning and in the resolution, Senator Chamberlain was chosen to be their champion. He has been so advised by wire.

No debate whatever was aroused over the recommendation of the resolutions committee to fight the tax on tea, and the National organization felt it was incumbent upon it as a body to direct the fight in the halls of Congress.

VEGETABLES AS MEDICINE.

Carrots are excellent for gout. Cranberries correct the liver. Asparagus stimulates the kidneys. Watercress is an excellent blood purifier. Honey is a good substitute for cod liver oil. Parsnips possess the same virtues as sarsaparilla. Celery contains sulphur and helps to ward off rheumatism. Bananas are beneficial to sufferers from chest complaints. Celery is a nerve tonic; onions also a tonic for the nerves. Beet root is fattening and good for people who want to put on flesh. Tomatoes are good for a torpid liver, but should be avoided by gouty people. Lettuce has a soothing effect on the nerves and is far better than medicine for sufferers from constipation. The juice of a lemon is excellent for sore throat, but should not be swallowed, but used as a gargle. —Kansas City Journal.

RETURNS FROM LONG DRIVE.

Joe Bates, residing near Prairie City, passed throgh Canyon Monday being enroute to his home, accompanied by his danghter, Mrs Wm. Anderson. About three weeks ago he left his home for the overland trip to Winnemucca, Nevada, and spent three weeks on the road, traveling 762 miles. From southern Harney to Winnemucca is a desert waste of country, there being hundreds of miles where the only growing thing is grease wood and after traveling over that worthless land it certainly looks like Paradise to arrive in the green timber and fertile valleys of Grant county, is the opinion of Mr. Bates.—Blue Mountain Eagle.

Of Interest to Farmers and Mechanics.

Farmers and mechanics frequently meet with slight accidents and injuries which cause them much annoyance and loss of time. A bruise or cut may be cured in about one-third the time usually required by applying Chamberlain's Liniment as soon as the injury is received. This liniment is also valuable for sprains, soreness of the muscles and rheumatic pains. There is no danger of blood poisoning resulting from an injury when Chamberlain's Liniment is applied before the parts become inflamed and swollen. For sale by all good dealers.

We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. The regular price of these tires is $8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only $4.80 per pair. All orders shipped same day letter is received. We ship C. O. D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

Notice the thick rubber tread "A" and puncture strips "B" and "D," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.

We will also send one nickel plated brass hand pump. Tires to be returned at OUR expense if for any reason they are not satisfactory on examination. We are perfectly reliable and money sent to us is as safe as in a bank. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a trial order at once, hence this remarkable tire offer.

IF YOU NEED TIRES don't buy any kind at any price until you send for a pair of Hedgethorn Puncture-Proof tires on approval and trial at the special introductory price quoted above, or write for our big Tire and Sundry Catalogue which describes and quotes all makes and kinds of tires at about half the usual prices.

DO NOT WAIT but write us a postal today. DO NOT THINK OF BUYING a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
