AUTOMOBILES—FOR SALE 800

AT THE COVEY MOTOR CAR COMPANY PLANT

There is no place to stop in the overhauling and refinishing of the cars we prepare for sale, until the job has been completely finished and the car is in as fine condition as our best workmen can make it.

Nothing is good enough, but the best. It is not a question of whether we can afford to do certain work to a car or not—we do it anyway.

Profit and loss is not taken into consideration by us at the time of rebuilding the car. Our cars are guaranteed, and must deliver satisfactory service.
