A New Way to Can Tomatoes.

Last summer I tried a new method of canning tomatoes, and it proved so satisfactory that I want to pass it on. Scald and peel the tomatoes as usual. Have the cans sterilized, place the raw tomatoes in them whole, pour in boiling water to fill the cans, running a knife around in the cans, so that all the crevices are filled, then put on the cover. Place the cans in a boiler or large vessel, pour in boiling water till it reaches the neck of the can, put the lid on the boiler, wrap it with a blanket or rug, and leave until the water is cold, which will be next morning. The cans are then ready to put away. I did not lose a can out of forty quarts. When the cans were opened, the tomatoes were whole and firm enough to slice easily.—Woman's Home Companion for September.

Best Treatment for a Burns.

If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the parts without leaving a scar. This salve is also unequaled for chappad hands, sore nipples and diseases of the skin. Price 25 cents. For sale by all good dealers.

Say Lands Are Fenced in.

United States Attorney McCourt has filed a criminal complaint in the Federal Court charging Alfene and Ira Venator with maintaining an unlawful inclosure of about 10,400 acres of public land. The land is located in Harney County and the character of the fencing is said to be such as to exclude all cattle, except those pastured within the inclosure, from going upon the grazing land so inclosed.—Oregonian.

Good For Biliousness.

"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel fifty per cent. better than I have for weeks," says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by all good dealers. Samples free.

Jones Mower and Rake for $75 while they last. First come, first served—C. H. Voegtly.

NO TRESPASSING.

Hunting and fishing are strictly forbidden upon any of the Pacific Live Stock Co. ranches. Trespassers will be prosecuted.
