# Big Games Feature Eastern Grid Schedule ∴ Multnomah Team Out for Revenge Saturday

## Big Gridiron Games on Tap Saturday

By Sydney B. Whipple
United News Staff Correspondent.

NEW YORK, Nov. 4.—If Princeton had lost every game this season, instead of dropping two, and if Harvard had been beaten in every contest, instead of just one, that Princeton-Harvard game in the Tigers' lair Saturday would still be a great game.

Even if the teams were playing to see which is really the world's worst football eleven, the game would be worth going to. For, after all, Harvard is Harvard and Princeton is Princeton, and whenever the twain meet thousands of people are going to get together and shout and cheer and pray and afterward cuss and discuss. That's what makes football.

**YALE HAS SOFT ONE**

Princeton is a broken reed and Harvard is a fallen idol. Nowhere are their chances for earning the mythical Eastern "championship" greeted with anything but a mild lifting of the eyebrows. And yet, so peculiar to itself is collegiate football that the game at Princeton is going to get all the big play and all the lengthy chatter. If both teams are as bad as they look, it ought to be a tie.

Yale, after one soft game, has another coming, against Maryland. Cornell, after running wild over Dartmouth and piling up a cricket score on the scene, had another easy time in store with Columbia at the receiving end of her undeniable punch. Of course, doleful Gil Dobie, who was observed almost to smile after the Dartmouth collapse, has once more relapsed into his slough of pessimism. But Dobie is always sourest when the sweetest victories are in sight.

**ARMY HAS BATTLE**

Lafayette, the unbeaten combination that took Pop Warner's powerful Panthers into camp earlier in the season, should easily triumph over Pennsylvania. Pittsburg meanwhile takes on Nebraska, while the Army is training its guns on Notre Dame.

The East's real interest has begun to center on Cornell—a magnificent outfit—the Navy, which looks like a champion if ever any team did; Penn State, one of the most powerful machines in this section of the country; Pittsburg, which has retrieved its poor start by a wonderful series of wins over strong combinations, and Lafayette, which has yet to meet defeat. Both Pittsburg and Penn State meet the Navy later. These games may determine, for once, who is the real champion.

**OHIO STATE AND CHICAGO TO MEET IN "BIG TEN" RACE**

By Luther A. Huston
International News Service Staff Correspondent

Chicago, Nov. 4.—Two unbeaten machines, one of them the champion of 1920 and the other tamer of Princeton's haughty Tiger, will furnish the feature battle for Mid-West gridiron fans tomorrow. Chicago and Ohio State at Chicago constitutes the dish over which thousands of fans are smacking anticipatory lips today.

**GOPHERS PLAY IOWA**

Taps will be blown for the championship aspirations of one of these teams, it is expected, before the final whistle sounds. The 20,000 spectators who have bought tickets for the struggle therefore are assured of a bitter contest, as neither team desires to drop out of the fight for the Big Ten title.

Next in importance to the thriller that is expected at the Midway will be the Minnesota-Iowa game at Minneapolis which will be watched with interest by hundreds of followers of the gridiron sport. Iowa has one of the greatest elevens it has turned out in years and has demonstrated its power by victories over Notre Dame and Illinois. The Hawkeyes are out to go through the season unbeaten and thereby earn the right to be considered when any discussion of 1921 champions is under way. On the previous showing of the teams Iowa should win.

**ILLINI MEETS DE PAUW**

Although it has no bearing on the Big Ten title, considerable interest attaches to the Northwestern-Purdue game to be played at La Fayette. Neither team has won a conference victory and each is expected to fight hard to escape the cellar.

Illinois will meet DePauw at Urbana, but the remaining Big Ten gridirons will be idle.

Many Mid-Western fans will watch with interest the outcome of the Nebraska-Pittsburg game. The Cornhuskers are the leading eleven of the Missouri valley section and the Panthers are one of the really great elevens of the East.

**HARVARD TEAM IS READY**

Trenton, N. J., Nov. 4.—(I. N. S.)—Harvard's big crimson football squad arrived here this morning from New York and established itself preparatory to going over to Princeton this afternoon to run through signals and try out the air currents in Palmer stadium. Coach Fischer reported all of the players in good condition. He said the condition of the field in the Princeton stadium would have something to do with his final decision regarding Harvard's line-up.

**TIGERS TAKE LIGHT WORK**

Princeton, N. J., Nov. 4.—(I. N. S.)—Light signal practice and a special session for the kickers was the limit of Coach Bill Roper's demands of the Tigers today. The Princeton line-up tomorrow will be intact.

## Ruth Not Bad Actor Swatter Makes Hit

MOUNT VERNON, N. Y., Nov. 4. (U. P.)—Babe Ruth isn't a bad actor, the natives say who saw the swat king make his stage debut here last night in a sketch "That's Good." The Bambino appeared with Wellington Cross and a pianist. He cracked jokes and sang a dialogue number with Cross. The act was well received and Ruth had to make a curtain speech.

Judge Landis was worked into the lines when a stage telegram supposed to be from the commissioner was handed to Babe. "Is it serious?" Cross asked. "I should say it is, seventy-five cents collect," Ruth replied.

## Gonzaga and Club Teams Ready to Vie

MULTNOMAH CLUB'S football aggregation, which includes players of note from Pacific coast and other conferences, is awaiting the whistle that will set it in action against the Gonzaga eleven Saturday afternoon on Multnomah field.

The Winged "M" players are going out after revenge for the 28-0 defeat handed them last year by the Spokane team. The club spirit is running high this season and the players are out to make a record for themselves.

A wet field will give the club a distinct advantage over the visitors, as Philbrook's system calls for straight football with only a sprinkling of open attacks, while Gonzaga's offensive is centered on the forward pass and speed.

The Gonzaga squad is due to reach Portland Friday evening. Reports from Spokane indicate that Coach Dorias has been driving his players to strengthen their offensive for the club aggregation.

Coach Philbrook has not announced the lineup he will start against the visitors, but indications are that the following players will take the field: Blackwell, center; Holmes and Mautz, guards; Walker and Johnson, tackles; Faulk and Donaldson, ends; Smith, quarter; Steers and Dunton, halfbacks, and Butler, fullback.

The Gonzaga team is not going to be outweighed a great deal by the clubmen, according to the statistics of the squad received. Jimmy McIsaacs, the speedy fullback, is the lightest player in the Spokane team's backfield.

Grover Francis will referee the game. Plowden Stott will be umpire and D. Callicrate, head linesman.

The contest will start at 2:45 o'clock.

## Multnomah Quints To Begin Play for Title Sunday Morn.

PLAY in the Multnomah Amateur Athletic club's indoor basketball league, which is composed of two divisions, the National and the American, is scheduled to begin Sunday morning.

George Dewey, coach of the basketball quintets, has arranged the following schedule for the season:

The winners of each division will meet in the early part of December to decide the championship.

## Joe Gedeon Barred From Baseball by Landis' Decision

Chicago, Nov. 4. — (I. N. S.)—The action of Judge Kenesaw M. Landis, commissioner of baseball, in placing Joe Gedeon former second baseman of the St. Louis Browns, on the ineligible list for "knowing too much" concerning the 1919 world series scandal, was today regarded as setting a possible precedent for procedure in the event any of the "Black Sox" ever request reinstatement.

Joe (Buck) Weaver, who has filed suit against Charles A. Comiskey, owner of the White Sox, is the only one of the ball players who were tried and acquitted several months ago who has shown any indication of attempting to get back into organized baseball.

Judge Landis' action in the Gedeon case followed a telegram from William McCarthy of the Pacific Coast league, who inquired as to the status of Gedeon, who was scheduled to play in a game on November 11 in which Coast league players were to take part. Landis replied that Gedeon was "ineligible."

Gedeon had been dropped by the St. Louis Browns. It was said that he had knowledge of the alleged conspiracy to "throw" the 1919 series and that he bet and won $300 as the result of such information.

**DETROIT WOULD PLAY CENTRE**

Detroit, Nov. 4.—Efforts are being made to arrange a game between the University of Detroit and Center college football elevens in Boston on Thanksgiving day. Replying to an inquiry from a Boston promoter, officials of the local team have advised him they are willing to meet the Kentucklans if faculty permission can be obtained. Such permission is expected.

## GRID STARS SLATED TO APPEAR IN SATURDAY'S GAME

Three football players who will start in Saturday's football game on Multnomah field between the Multnomah Amateur Athletic club team and the Gonzaga university of Spokane. Reading from the left, they are: Jimmy McIsaacs, Gonzaga fullback; "Ducky" Holmes, Multnomah guard, and Pete Sweeney, quarterback of the Gonzaga team.

## Commerce Winner In Exciting Grid Battle With Tech

PULLING down a 25-yard pass in midfield and dashing 45 yards for a touchdown in the final period, Captain Max Grider of the High School of Commerce turned what appeared to be almost certain defeat at the hands of the Benson Tech team Thursday into a victory. The score was Commerce 14, Benson, 13. The failure of Bell of the Techs to convert in the second period resulted in the defeat.

The contest was by far the most sensational played in the scholastic circles this season. Both teams put up a hard fight, but Commerce pulled unexpected plays at the right moments and earned its victory.

Play during the first quarter was about even, but in the second period Benson scored when Maloney, by a 45 yard run, placed the pigskin on Commerce's 10 yard line, from which point it was carried over by Bell in three line smashes. Benson increased its lead to 13 points by scoring early in the third period, Bell scoring on an end run, following a 10 yard pass and an eight yard line plunge by Colver. Bell converted on this attempt.

Commerce scored its first touchdown late in the third quarter. The Bookkeepers gained in an exchange of punts and took possession of the ball on their opponents' 30 yard line on a fumble. Grider gained nine yards on an end run and a forward pass that caught Benson's secondary defense off guard enabling Kieling to score the first touchdown. Schneiderman converted goal and it was the sure-footedness of the big guard that finally gave Commerce the game, as he booted the goal after the scoring of the sensational touchdown in the final period.

| Haggren | C | H. Schneiderman |
| White | RG | Parcher |

**YANKS DENY M'INNIS TRADE**

## Willamette Team To Play Pacific U. At Salem Saturday

Willamette University Salem, Or., Nov. 4.—Saturday afternoon the Pacific university eleven will clash with the Bearcat squad on Sweetland field, Salem. The drubbing handed Mt. Angel college and Albany college indicates that the Badgers have a much better team than they have had for some years. Records on hand show that in the last eight years Willamette and Pacific have met seven times, each time the former being returned the victor. So enthusiastic are the rooters from Forest Grove that their team will win that they have sent word that about 300 students will accompany the team.

From the standpoint of experience, Coach Frank will have eight men who have played intercollegiate football together for three years, while nothing definite about Bohler's Bearcats can be said until after the shakeup which is going on within the lineup. Coach Bohler has been anything but satisfied with the showing of the team in the last three games, and says that from now on each man must produce the goods or rest upon the bench.

## San Diego Is After Coast League Berth

San Francisco, Nov. 4.—(U. P.)—Application for a franchise in the Pacific Coast Baseball league was filed Thursday by W. H. Palmer of San Diego, with President William H. McCarthy.

Palmer stated that he was prepared to go forward with the building of a baseball park in San Diego and would put up a large forfeit to show his good faith, if desired.

Palmer has been notified to attend the Pacific Coast League meeting in Los Angeles on November 8.

## Coast Gridiron Stars To Be Recommended For All-Star Team

STANFORD UNIVERSITY, Cal., Nov. 4.—(U. P.)—Twenty-eight Western football players, half of them from Stanford and the University of California, have been chosen by Walter Powell member of the national football rules commission, as candidates for Walter Camp's All-American 1921 team.

Powell, who is director of athletics at Stanford university, made tentative choices today, after receipt of a request for recommendations from Camp.

The players' names will be officially submitted at the close of the playing season.

Colleges represented and players chosen are:

Stanford—Ludeke, Saville, Carter and DeGrott, linemen; Patrick, Schaludemann and Wilcox, backfield.

University of California—Toomey and Nichols, backfield; Muller, Latham, Stephens and Cranmer, line.

University of Southern California—Dean and Leadingham, backs; Evans, tackle.

University of Washington—Eckman, halfback.

Washington State — Moran, Jenne, Hickey, backfield; Dunlap, center.

Oregon Aggies—Crowell, tackle; Powell and Kassberger, backs.

University of Oregon—Leslie, tackle.

St. Marys—Stockton, fullback.

Nevada—Bradshad, halfback.

Further play this season, Powell said, may alter this list.

**PRACTICE SET FOR TONIGHT**

The Arleta Athletic club football players will practice again this evening at 7:30 o'clock at East First and Washington streets. Every player on the squad is urged to be present as final instructions before Sunday's contest will be given the team.

Why not
a tin spout for a silver tea-pot?

WHEN you get right down to it, replacing a silver spout with a tin one wouldn't be half as foolish as replacing a Continental Red Seal part with one of ALIEN manufacture.

You can *see* and *observe* the tin spout. But how about an alien part in your motor where it cannot be observed? Anything placed in a motor has a certain duty to perform—it must *work* and work constantly. Failure in its functioning always affects the other units designed to work *with* it.

Genuine parts of Red Seal Motors are made by the manufacturers of the motors themselves. They are available for use at any time. A little care on your part or the expenditure of a few extra cents insures you genuine parts and offsets the possibility of *paying big*, later. Tell your dealer or garage man that only Red Seal parts will do. And remind him where he can get them.

## Stanford Is Favored to Beat U. of W.

EYES of the football followers of the Pacific coast will be centered on the Oregon and Stanford squads in Saturday's Pacific coast conference games.

The Cardinal team, which completely upset the dope by handing the Oregon Aggies a 14 to 7 defeat, last week, will do battle against the University of Washington team on the Sun-Dodgers' field and "Shy" Huntington's revamped eleven will clash with the Cougars at Pullman.

**SUN-DODGERS CRIPPLED**

Stanford is favored to annex a victory over Washington, being on the long end of the odds for the first time since its reentry in American football. The Cardinal team is a powerful defensive team and uncorked a puzzling offensive in the game with the Aggies.

Washington will go into the game in crippled condition. Johnny Wilson will be out of the game on account of a broken nose and Bartlett, the other wing player, is suffering from some injured digits. Three other players are not in the best of shape but despite this fact, Coach Bagshaw believes his team has a fifty-fifty chance with the Cards.

The Cardinal squad passed through Portland Thursday, as did the Oregon team. Coach Huntington put the Lemon-Yellow squad through a light signal practice on Multnomah field Thursday afternoon.

**OREGON PLAYERS SHIFTED**

Charley Parsons, who was expected to star in the backfield this season, has been shifted to a guard position. Parsons' weight has been a handicap to his playing in the backfield. Gram and King will likely start in the halfback positions and Latham will be used at fullback, although "Tinx" Shields may be used in the backfield. Brown has been shifted to an end position and Von der Ahe to a tackle position.

Huntington was silent regarding his team's chances for a victory, but he spoke very highly of the fighting spirit of his players.

The University of California team will tackle the Southern California team on the Berkeley campus. Although this is not a conference game, there is considerable interest in the struggle as the rivalry between these two teams is similar to that between the Oregon and O. A. C. teams.

The University of Idaho team will play the Montana eleven in Moscow.

## George M. Cohan May Land Brooklyn Team

New York, Nov. 4.—(I. N. S.)—George M. Cohan, theatrical promoter and manager, now in Europe, was linked up with the Brooklyn Dodgers by a rumor that traveled up and down the local baseball Rialto today. Cohan was ready to purchase the Dodgers, it is said, but a hitch came at the last minute and has not yet been ironed out. The rumor adds that Cohan is still in the market for the Brooklyn club and is expected to complete the deal when he returns to this country.

## BOXING

NEW YORK, Nov. 4.—(I. N. S.)—Mike Gibbons, who has cut a wide swath in the middleweight ranks since he attempted his comeback last spring, has completed arrangements to sail for England, where he is scheduled to meet Ted ("Kid") Lewis, former world's welterweight champion, in a 20-round bout November 17. Since attempting his comeback, Gibbons has beaten, among others, Jeff Smith, Happy Littleton and Gus Platts, the highly touted English middleweight. He also knocked out Batling Ortega, the rugged Western fighter. Interest in the coming Gibbons-Lewis match is running high in England.

(By United News)

New York, Nov 4.—Red Pete McDonald, the hell's kitchen pepper-pot, will be the first young man to box Tiny Johnny Buff since Johnny snatched the bantam diadem from off the dome of Pete Herman several weeks ago. Peter the Red has been matched to pitch mitts at Johnny for the entertainment of his honor, Mayor Hague of Jersey City, one of Buff's friends, at an entertainment in Patterson, N. J., armory, Friday night. They are to go six rounds and the mixup is described as "an exhibition." Although Red Pete barely outweighs 100 pounds of feathers, he spends his days juggling cotton bales along the docks.

New York, Nov. 4.—(I. N. S.)—Benny Leonard, the lightweight champion, will soon be seen in action again in this city, it has been learned. Leonard is to appear soon in a bout in behalf of the Jewish charities at Madison Square Garden. Dave Shade, coast welterweight, is mentioned as Leonard's opponent.

New York, Nov. 4.—(I. N. S.)—Harry Greb and Charlie Weinert will meet here tonight in a scheduled 15-round bout at Madison Square Garden. Greb was a slight favorite to defeat the Jersey boxer.

New Orleans, La., Nov. 4.—(U. P.)—Boxing promoters over the country are scrambling to book Happy Littleton, New Orleans middleweight, in a return engagement with Mike Gibbons of St. Paul. Local promoters are ready to offer Johnny Wilson $25,000 to meet Littleton here during the racing season.

Chicago, Nov. 4.—(I. N. S.)—Pal Moore, Chicago bantamweight and aspirant for the title, and Earl Puryear of Peoria, will swap blows tonight at a boxing show to be conducted by the naval post of the American Legion aboard the U. S. S. Commodore. The pair have fought three times, Moore earning two decisions and the other contest being a draw. Moore is after the crown worn by Johnny Buff, king of 118 pounders.

## Tris Speaker to Pilot Cleveland in 1922

Dallas, Texas, Nov. 4.—(I. N. S.)—Tris Speaker will manage the Cleveland Indians next year "if they will let him."

Speaker has been in Texas for the past week. In a statement here last night Tris talked very much as though he had no doubt that he would again pilot the Indians. He also said he had given "String" Caldwell his release at Caldwell's own request.

## Klepper to Start South For Meeting

WILLIAM H. KLEPPER, president of of the Portland Baseball club, will depart tonight for Los Angeles to attend the annual meeting of the Pacific Coast league, scheduled to be called to order Tuesday, November 8.

The new Beaver boss is silent regarding a manager for next year's team, but, nevertheless, he has not been asleep, and it would not be surprising if he would not be ready to name the field leader of the club upon his return from Los Angeles about November 15.

Klepper will remain in Portland for a period of less than a week before going East to interview major league owners in regard to getting players to strengthen the Portland team for the 1922 race and to attend the National association meeting in Buffalo, December 6.

After his return from Los Angeles, Klepper will make arrangements to remodel the Vaughn street grounds, provided a new lease is secured on the property. On account of the absence from the city of Franklin Griffith, president of the P. R. L. & P. company, which owns the grounds, there is little likelihood of any lease being signed during the next 10 days.

Klepper is quite peeved over press reports that have been circulated up and down the coast declaring that the Southern moguls intend to put him on the pan regarding the disposal of star players during the middle of the season. Each club president can sell or shift his players to suit himself, and there's little chance of any of the Southern moguls being in a position to "call" the Beaver president for his actions while at the head of the Seattle club.

James R. Brewster, who is associated with the new owners of the Beavers, left Thursday night for Seattle. He plans to return in time to confer with Klepper before the Beaver prexy goes east during the latter part of this month.

**LEWIS WINS MAT BOUT**

New York, Nov. 4.—Denatured wrestling may have the kick put back in it by the state commission as a result of its unsatisfactory debut here last night. "Strangler" Lewis, former champion, weighing 236 ponds, threw Joe Polk, weighing 185 pounds, in straight falls, the first in 6:40 and the second in 4:19. Lewis did not attempt any of the forbidden holds.

**LOURIE AWARDED POE CUP**

Princeton, N. J., Nov. 4.—(U. P.)—Donald Bradford Lourie, Peru, Ill., All-American quarterback and star of the Tiger team, has been awarded the Poe Memorial cup awarded annually to the player "who best exemplifies loyalty to Princeton, courage, determination, fairness in the game, self control and modesty."

**JACKSON PARK WANTS GAME**

The Jackson Park football team is anxious to arrange a contest with any team averaging between 125 and 130 pounds, for Sunday. The team is also after an out of town contest for Armistice day. For games, communicate with Sam Colton, 472 Broadway, or telephone Marshall 1559.
