AUTOMOBILES—FOR SALE 800

A SAFE PLACE TO BUY USED CARS

There is an unaccountable factor of uncertainty, call it intuition, a hunch, or just plain conservative reasoning, that comes to your rescue when you are about to take a step wherein you are not absolutely familiar with each detail of a transaction. We cannot know all things, and we find it necessary, therefore, to avail ourselves of the advice and honesty of others. Therein lies the solid wherefrom grows confidence and friendship.

You will find the Covey Motor Car company with mirror-like accuracy reflecting the friendly, frank, honest and generous personality of its owner and director. It is a safe place to buy used cars. And, owing to our present need, it is the best place to buy used cars—make no mistake about that, kind reader. We, of necessity, just at present, are obliged to offer genuine Covey-built guaranteed used cars at prices that very seriously compete with the poorest, cheapest "AS IS" merchandise on the market.

Our great need and your great desire makes our gain mutually beneficial.

Don't hesitate to present your proposition. It's your turn at the bat.
