PAVING BEGUN ON 2 APPROACHES OF HAWTHORNE BRIDGE

With the paving work started on both approaches of the Hawthorne bridge, resumption of automobile traffic over the structure is expected within a week, A. G. Johnson, assistant commissioner of public works stated this morning.

The paving of the east approach is being done by the municipal paving plant at a cost of $1.18 a square yard. There will be 4000 square yards of pavement laid on the east approach. The contract for the west approach, under the jurisdiction of the county, was let to the Warren Construction company for $1.65 a yard.

Work was commenced on the east approach Tuesday and reports sent to the office of public works state that the municipal plant has caught up with the contractor laying the planking and is waiting for clearance.

Johnson pointed out that completion of the bridge was to be rushed, as it would relieve traffic congestion on the Morrison and Burnside bridges. All automobile traffic normally crossing the Hawthorne bridge has been diverted to the other bridge during the repair period.

7 ROOMING HOUSES AND HOTELS GRANTED LICENSES

Upon recommendation of Mayor Baker the council approved licenses for seven persons to operate rooming houses and hotels in various parts of the city at the meeting held this morning.

Licenses were granted to E. Wells, 268 Third street; M. Simo, 346½ Alder street; Josie White, 13½ North Third street; J. L. McBride, 103½ Twelfth street; T. Tambara, 24 North Third street; Pearl Harris, 286½ Burnside street, and Myrtle Brown, 90½ Fifth street.

The council denied licenses to Fong Y. Russell for a restaurant at 518 Union avenue and to the Sellwood Baptist church to erect signs on telephone poles directing people to the church. In denying the request of the church the council unanimously expressed the opinion that granting of the request would establish a bad precedent.

COUNCIL ACCEPTS THREE BIDS FOR SEWER CONSTRUCTION

Three bids for sewer construction were accepted by the city council this morning. In each case the bids were under the estimate made by the city engineer.

Bids accepted were: Coast Construction company, sewer in East Sixth street, $2746.14; Coast Construction company, sewer in East Seventh street, $2182.90, and to Charles Solomon for the sewer in Emerson street, $1946.88.

With the quarantining of Theresa Johnson aged 7, 935 East Fifteenth street north, Tuesday, the number of infantile paralysis cases in the city became two, records in the health bureau showed. The two cases now in quarantine are all that remain of a mild epidemic of a month ago, when there were six cases on record.

BIGELOW ASKS CONTINUANCE ON CITY LICENSE ORDINANCE

Despite the fact the ordinance has been on the calendar four times, Commissioner C. A. Bigelow gave the excuse of not having time to make a study of the revision of licenses, submitted by Commissioner Pier at the session of the city council this morning, when he moved that the ordinance be continued for two more weeks. The ordinance provides for a general revision of the regulatory fees charged on various businesses in the city. It will provide an annual revenue of about $20,000, Pier stated.

Chas. H. Mackintosh, Famous War Talker, To Be Here Nov. 30

He is Charles Henry Mackintosh, president of the Associated Advertising clubs of the World and also director of sales and advertising of the La Salle Extension University of Chicago.

In Portland he is first scheduled for a general meeting at noon in the main dining room of the Oregon building and to this meeting the Ad club is issuing invitations to several hundred leading business men of the city and state.

Mackintosh will be welcomed to Oregon by Governor Olcott and Mayor Baker will speak on behalf of the city. Following the noon meeting a delegation of business men will accompany him on a trip over the Columbia river highway and in the evening he will be the guest of honor at a banquet at the Benson hotel by the Women's Advertising club.

After his visit to Portland, President Mackintosh will go to Eugene and address the student assembly at the University of Oregon and will return for a later visit to Astoria under the auspices of the Astoria Advertising club.
