BUSINESS AND TRADE SCHOOLS 200

DO YOU WANT TO LEARN THE AUTOMOBILE BUSINESS?

Why not spend a few months this winter in our school and prepare yourself for a good job when you graduate? We teach all branches of the automobile, tractor, battery and tire business. Day and evening classes. Expert instructors, lowest tuition fees of any standard recognized school, thorough practical instruction; not a book or theory school. Largest system of practical auto and tractor schools in the world. Life membership free. Our free employment office helps you to a good position. We have a plan whereby you can earn while you learn. Information and literature upon request. HEMPHILL'S AUTOMOBILE AND TRACTOR SCHOOL, 707 Hawthorne ave. and 331 Oak st., Portland.

WHY BE OUT OF A JOB OR WORK AT AN UNDERPAID POSITION?

We have helped hundreds of our graduates to positions paying from $200 to $500 per month. If you will call at Union ave. and Wasco st. any day (except Saturday) at 10 a. m. or 2:30 p. m. or send for our big 140-page FREE catalogue, you will readily understand why we graduate more students who actually make good than any auto school in the U. S. Be convinced. Make a personal investigation or write for our FREE book No. 4. ADCOX AUTO AND AVIATION SCHOOL UNION AVE AND WASCO ST.

IF YOU are really interested in a better job and more pay, write for my FREE 72-page, illustrated Book of Facts. Hundreds of automobile opportunities explained. Pictures of students getting practical training. Tells how you can earn room and board while learning. Tells of wonderful Los Angeles climate. Shows how you can do like other men from 16 to 60 years of age who are now enjoying salaries up to $400 a month, because of this training. I send this book FREE to anyone interested. Write J. A. Rosenkrans, President, N. A. S., 843 S. Figueroa, Los Angeles.
