The above action of the county court was taken upon the hypothesis that if the decision of Judge Shattuck had been the reverse of what it was, the county would not have assumed the costs and disbursements and if in case of an appeal the decision be reversed the county will still hold itself not responsible for costs.

Steady Progress

Has characterized Hood's Sarsaparilla ever since it was placed before the puble. Wherever introduced, its sales have grown from year to year, until now it is the most popular and most successful medicine offered. Any druggist will confirm this statement. The secret of this success lies in the fact that Hood's Sarsaparilla is a medicine of merit. It does actually accomplish all that is claimed for it, and when given a fair trial, is reasonably certain to be of benefit.

Positive Statements.

"Since Hood's Sarsaparilla has been in my hands for sale I have had frequent and unreserved testimonials in its favor. Although carrying this preparation for less than one year, my sales have been greater than of any similar preparation, and the testimonials in its favor are at once positive and personally noticeable." A. WRIGHT, Healdsburg Cal.

Sells On Its Merits.

"My boys say, 'Papa, why don't you buy more of Hood's Sarsaparilla at a time; we are always short.' It sells on its own merits." F. BEAL, Portland, Oregon; the oldest druggist in Oregon.

A BIG OFFER.

Wishing to secure as many renewals and new subscription as possible before Jan. 1st, we have decided to make a proposition that should be accepted by every one. The Goodform, a wonderful magazine published in Chicago—the World's Fair City—if you have not seen it you cannot appreciate how nice it is.

Notwithstanding it is only a year old it already outranks many of the oldest and most popular magazines of the world.

YOU ASK WHY? Simply because it is published to please the people and not the editors. In fact any information of high character that will tend to make the people wiser better and happier, always finds a place in Goodform.

It has no hobbies and does not take sides on any questions except those of honesty, justice and purity Its eighty pages are filled each month with serial and short stories of the highest order, select and choice literature, poetry song and art

Matters of dress, Woman's Sphere, House Decorations, Bodily Grace and Beauty, Conduct and Character, Health—The Nursery, Our House Affairs, Plants and Flowers, Practical Amusements, etc., etc., are ably discussed each month by editors who are thoroughly posted on these departments of life

Of course you want Goodform, everybody does, and our arrangement with the publishers makes it possible for you to get this most beautiful and valuable magazine for nothing during a limited time only.

The HERALD is $2 50 a year and the Goodform $2 00. Now we make our subscribers the following offer, which will hold good as long as we run this notice: to all delinquents who will pay up and one year in advance and to all new subscribers, we will send to their P. O. address, the Goodform "gratis." This is certainly an offer that no one should overlook, and we sincerely hope our readers will accept.
