KEEPING FAITH WITH THE PUBLIC
Covey Motor Car Co. will not misstate facts concerning a used car in order to sell it. If you don't want the car in the condition our and your examinations indicate it to be in, that is for you to say. But, so far as we are able to tell you, you will know THE TRUTH ABOUT THE CAR.
Another thing for you to consider: We believe in a rapid turnover of our used cars and, consequently, smaller individual profits. We can afford to sell better used cars at lower prices, if our sales volume is large. You profit by this policy.
