Jurors Summoned.—D. Albright, C. P. Church, W. Fisk, J. C. Trullinger, R. Palmer, W. W. Buck, Robert Caufield, Howard Ogle, Jonathan Wagner, John Sawtelle, M. D. Baldwin, H. E. Hayes, A. J. Killier, Thomas F. James, George Graham, W. C. Wilson, W. W. Cook, Samuel Waldron, Charles Walker, Samuel Taylor, J. W. Lewis, W. O. Mack, R. V. Short, F. C. Mack, J. S. Howland, Josiah Howell, W. M. Wallace and Thomas Garrett.

A SAD ACCIDENT.—On last Saturday afternoon, Noble S. Johnson was out hunting, and in passing through some underbrush his gun caught in such a way that it discharged it, and the contents passed through his left leg just below the knee, shattering one bone of the leg terribly.—The young man was brought to the residence of Mr. Wade, and Dr. Ross of this place called in, and Drs. Chapman and Watkins of Portland immediately sent for; and on Sunday morning, Dr. Ross, assisted by Drs. Chapman and Watkins, removed the fractured portions of the bone, and dressed the wound. For some hours after the operation, prospects for a speedy recovery were quite favorable. But, unfortunately, on Monday, erysipelas supervening at about 4 o'clock, it soon became apparent that he could not recover; and on Wednesday morning, at about 8 o'clock, breathed his last.

Mr. Johnson was a brother of W. C. Johnson, of this place, and was highly respected. He was a member of the Fire Department, and also of the order of Good Templars; and the Fire Department and the Good Templars, assisted at his funeral on last Thursday.

BEESWAX.—D. Sebastian, Esq., recently found a quantity of beeswax embedded in the sand, on the coast, at the mouth of the Chehalin river. It was but a few inches under the surface.

FLUX.—We understand that there are some cases of bloody flux in Cascade precinct. Three children have died and several others are sick with it.

☞ Wells, Fargo & Co. will accept our thanks for files of San Francisco papers.

WILL LEAVE.—Hon. D. P. Thompson and family leave for the East next Monday. We wish them a prosperous journey.

THE BRASS BAND.—The Oregon City Brass Band took the first and second premiums at the State Fair.

The members of the Oregon City Brass Band tender their thanks to the Aurora Restaurant for courtesies received during the State Fair.

☞ J. W. Lewis, our fellow-townsman, carried off no less than six premiums at the late State Fair.

TO CUT GLASS.—Take the glass you wish to cut, and a pair of common shears, submerge both about six inches under water and cut away.

A photographer of Simla, in Hindostan, has discovered a large vein of meerschaum, said to be superior to that in ordinary use for pipes. It does not fuse when exposed to the heat, but increases in hardness. Specimens have been sent to Calcutta and to England to be tested.

The court costume question is again agitating Washington. The foreign Representatives complain that they have not had attention enough of late, and came out without their "regimentals" on the day of Gen. Rawlin's funeral. The eagle should let off a fearful scream at once.

TRIBUTE OF RESPECT.

Whereas, It has pleased Divine Providence, in His inscrutable wisdom, to suddenly remove from our midst, by death, October 20, 1869, our well beloved brother, Noble Shepard Johnson; therefore, be it—

Resolved, That by the death of brother Johnson, Willamette Lodge I. O. G. T. No 15, is profoundly sensible of the fact that it has lost a most efficient and worthy member, and the Order a noble, kind and benevolent brother.

Resolved, That we will ever cherish the memory of his many virtues, confidently trusting that our loss is his gain.

Resolved, That we tender to the bereaved mother, afflicted relatives and friends of our deceased brother who have sustained an irreparable loss our heartfelt condolence in this hour of sorrow and affliction.

Resolved, That to give further expression of our deep sorrow, the officers and members of this Lodge wear the usual badge and that the charter and furniture be draped in mourning for thirty days.

Resolved, That a copy of this preamble and resolutions be spread upon the minutes of the Lodge, a copy with our seal attached presented the mother of our dear brother and a copy furnished the ENTERPRISE and *Oregonian* for publication.

Respectfully submitted in Faith, Hope and Charity.

CHA'S M. WARREN,
E. D. WHITLOW,
ELDRIDGE GERRY,
Committee

MISSISSIPPI.—The regular Republicans of Mississippi have nominated Gen. Alcorn for Governor (white man.) with a mixed ticket, including James Lynch (black man), for Secretary of State, against General Dent, adopted by the Democrats as the national republican candidate. Dent, as the President's brother-in-law, is strong, and will probably be elected over Alcorn, the President's candidate, and by the negro balance of power. Sambo, all over the South, is getting tired of waiting for those forty acres, and that mule, promised by the Radicals, and so he is bolting in every direction. [Herald.

The rising generation of Figville, a suburb of Hartford, have been discovered fastening cats together with fishhooks, and allowing them to fight till one or the other was literally torn to pieces.

The Iowa *Homestead* has the following information for its readers: "Farmers, do you want a lot of Chinese laborers? You can get them wholesale, retail, and 'pigtail.'"

STOP THAT COUGHING
SOME OF YOU CANT, AND WE PITY you. You have tried every remedy but the ONE designed, by its intrinsic merit, to supersede all similar preparations. ESSENCE OF
Jamaica Ginger.
This valuable preparation, containing in a highly concentrated form all the properties of Jamaica Ginger, has become one of the most popular domestic remedies for all diseases of the stomach and digestive organs. As a tonic, it will be found invaluable to all persons recovering from debility, whether produced by fever or otherwise; for while it imparts to the system all the glow and vigor that can be produced by wine or brandy, it is free from the reactionary effects that follow the use of spirits of any kind.
It is also an excellent remedy for females who suffer from difficult menstruation, giving almost immediate relief to the spasms that so frequently accompany that period.
It gives immediate relief to Nausea, caused by riding in a railroad car, or by sea-sickness or other causes.
It is also valuable as an external application for Gout, Rheumatism, Neuralgia, etc.
