STOCKS BREAK DULL RECORDS

General List Shows Strength on Urgent Demand for U. S. Steel.

NEW YORK, June 20.—All recent records for dulness and contracted operations were broken in today's stock market until the final hour when the general list developed pronounced strength on an urgent demand for United States Steel at 106¾, a net gain of 3¼ points.

Prior to that period important stocks were most often obscured by the spasmodic activity of specialties under profession propulsion. Tobaccos, sugars, fertilizers and so-called food issues featured the listless dealings o ftho forenoon and intermediate session. Gains o ftwo to four points in United Cigars, Sumatra and Tobacco Products were offset by an extreme recession of four pionts for General Cigars, which was largely retrieved later.

Royal Dutch Oil, which recently made a sensational advance, registered a decline of six points on a single sale, or sixteen points in two days.

Brooklyn Transit reflected the rigorous terms imposed by the war finance board in coming to its assistance and other utilities were restrained, presumably by like considerations.

Investment rails were included in the upswing with shippings, metals, notably the active coppers and numerous miscellaneous issues, the market closin gactive and mostly at maximums. Sales, 425,000 shares.

Further ease was shown by the money market, call loans falling off to 3 per cent with increased offerings of short time funds.

Bond dealings were again irregular, liberty issues holding steady in the main. Total sales were $6,875,0000.

Old United States bonds were unchanged on call.

NEW YORK MARKETS.

NEW YORK, June 20.—Prunes, dull.

Difficulty in Obtaining Licenses Leads to Sales

CHICAGO, June 20.—Announcement that unlicensed persons could not take delivery of cash grain on future contracts and that no speculator could obtain a license led to heavy selling of corn and oats futures today ,and broke prices sharply. Corn closed unsettled 1⅞ to 4c net lower, with July $1.42⅞ to $1.43 and August $1.45⅞ to $1.46. Oats finished ⅝ to 1½@⅝c down and provisions 45c to $1.

Nothing of "Weaker Sex" About Women oer at Dallas

DALLAS, June 20.—(Special to The Statesman.)—Women are doing work in the Dallas planing mill that formerly was done by men. F. J. Coad, proprietor of the large manufacturing concern on Mill street has been unable to secure male help to assist in turning out a number of large orders for prune trays and other materials and has been forced to employ women for this work. Mr. Coad states that the women are good workers and that with a little training will accomplish as much in a day as average men.

Aphis Get Fill of Leaves Then Tackle Green Fruit

DALLAS, June 20.—(Special to The Statesman)—The aphis which have been destroying crops in this section of the country for the past several weeks have turned their attention to the prune orchards around Dallas and not content with feasting off the leaves are now eating at the green fruit. Many of the prune growers are working night and day spraying with a solution of black leaf, water and soap and in this manner the pests are being eradicated almost as rapidly as they make their appearance. Professor Lovett of Oregon Agricultural college has advised the local prune growers to use this spray for bud worms and twig miners which also have made an appearance in some of the orchards.

NOTICE TO CONTRACTORS.

The Oregon State Highway Commission will receive proposals at 1301 Yeon building, Portland, Oregon, at 11 a. m., Tuesday, June 25, 1918, for eighteen miles of hardsurfacing on the Pacific Highway between Salem and Aurora, in Marion county.

The work will be let in two units of 7.35 miles and 10.65 miles, respectively. Bids will be received on all types of pavement.

For full particulars, kindly call at Room 303 Capitol building, office of the State Highway Engineer, Salem, where specifications and all details may be seen.

No guarantee of workmanship, material or maintenance bonds will be required and a special price of $2 per barrel, f. o. b Oswego, will be made on the purchasing of cement.

—State Highway Commission of Oregon.

S. Benson, Chairman.
W. L. Thompson, Commissioner.
R. A. Booth, Commissioner.
Attest:
Herbert Nunn,
State Highway Engineer.
Salem, Oregon, June 13, 1918.

ATTENTION OF CONTRACTORS.

Warren Bros. company, owners of the patents used in the construction of bitulithic pavements, have filed in the office of the state highway engineer at Salem, Oregon, a properly executed binding agreement to furnish any contractor desiring to bid on the hard surface improvements ordered by the state highway commission, proposals to be received on June 25, 1918, all the necessary bitulithic surface materials, mixed ready for use and bituminous flush coating cement and stone chips for coating the wearing surface, delivered on wagons of the contractor at the mixing plant, also use of flush coat bitumen and stone spreading machines. The price mentioned therein for bitulithic pavement mixture and flush coat composition, stone chips and use of machines will include a license to use all the patents required in the construction of the bitulithic pavement as herein specified.

The filing of a bid under bitulithic specifications will be construed as an acceptance of the terms of the license agreements filed by the Warren Bros. company, at the price fixed in said agreements which are on file with the state highway engineer.
