Entire State to Be Aroused to Necessity for Counteracting Congress

QUICK ACTION IS GOAL

Chamber of Commerce Opposed to Continuance of Federal Regulation

PORTLAND, Feb. 6.—To counteract powerful pressure said to be brought upon congress by what is termed radical organizations and influences to continue government control of the railroads of the country, the board of directors of the Portland Chamber of Commerce today placed itself on record in favor of arousing the entire state to the necessity of returning the railroad systems to private ownership under reasonable regulations.

Chambers of commerce and other commercial organizations and citizens throughout the state will be urged to telegraph immediately to the members of Oregon's delegation in congress, urging that the railroads be returned to the private owners.

I find that San Francisco is going to be able satisfactorily to house all the delegates, alternates and convention visitors. The hotel situation here is above par. I am delighted with it. Criticisms that I read in eastern papers before I came out here were not based on fact."
