PUBLIC NOTICES

NOTICE OF IMPROVEMENT OF NORTH COTTAGE STREET FROM "D" STREET TO NORTH MILL CREEK BRIDGE

Notice is hereby given that the common council of the City of Salem, Oregon, deems it necessary and expedient and hereby declares its purpose and intention to improve North Cottage street from the south line of "D" street to the North Mill Creek bridge at the expense of the abutting and adjacent property by bringing said portion of said street to the established grade, constructing cement concrete curbs and paving said portion of said street with a six inch cement concrete pavement forty feet wide in accordance with the plans, specifications and estimates therefor which were adopted by the common council February 18th, 1924, and which are hereby referred to and made a part thereof.

The common council hereby declares its purpose and intention to make the above described improvement by and through the street improvement department of the City of Salem.

By order of the common council the 18th day of February, 1924.

—M. POULSEN,
City Recorder.

Date of first publication hereof is Feb. 21. f-21-m4

Man Prevents Wreck

ROSEBURG, Feb. 26.—Residents of Reedsport who were on the Southern Pacific passenger train which is due in this city at 5:50 a. m., on Monday, are profuse in expression of admiration of the actions of E. Ronning, rancher, near Cushman, says the Port Umpqua Courier. Ronning prevented a probable serious wreck of the train near Cushman, by sitting up out on the railway right of way and flagging the train to a stop before it could be driven into a large tree which had fallen across the track during the night.

Ronning, who resides across the river from the railroad right of way, heard the thud of the falling tree and got up to investigate. He sensed the situation at a glance and parked on the railroad right of way after rowing across the river.

In bringing the train to a stop, Ronning used the railroad method of signaling instead of the customary bonfire or other methods. This part of the incident made a special appeal to the engineer.
