GRAZING USE OF FORESTS SOUGHT

Livestock Men to Request Congress to Legalize Grazing in Reserves

SALT LAKE CITY, Utah, Aug. 25.—(By Associated Press.)—Recommendations that the forestry bureau be shorn of its arbitrary power in granting of grazing leases, was adopted by the American National Livestock association in conference here today.

Under resolutions adopted, congress would be requested to pass a law legalizing the grazing of livestock upon the national forests.

Should such a law be enacted it would naturally follow that any contested point arresting from disagreements between the leaseholders and the government would be taken to the United States district court instead of being settled in the forestry bureau as at present.

The recommendation further provides that the proposed law shall restrict the leaseholders in the use and disposal of the lease only to the extent essential to insure beneficial use of the resources concerned from the standpoint of business in general and to make the holders responsible for any damage caused the resources investigated through exercise of rights under such leases.

The morning session of the conference was given over to a discussion of the public domain, the majority of sentiment anpearing in favor of federal control.

State control is meeting with much disfavor at the conference delegates taking the stand that federal control rules and regulations governing grazing in the various states would be more uniform.

J. M. McFarlane, president of the Utah Cattle and Horse Growers' association, declared that the time is opportune for federal control of the public domain. In going over the state he said he had discovered that where the grazing land had been protected by fencing and other means it supported four times the number of cattle than on unprotected land.

Lawrence F. Lee of Albuquerque, N. M., representing the sheep industry of New Mexico, declared his state badly in need of federal protection of the public domain and the livestock interests in need of provision which would allow them to exchange land with the Santa Fe Railway company which now owns every alternate section.

Unless stability comes to the livestock industry banks cannot, and will not loan money, he said.

PEDESTRIAN IS VICTIM

DRIVER OF DEATH CAR IS HELD ON DRUNK CHARGE

ABERDEEN, Aug. 25—August Bohm, 45, a stevedore, died in an Amerdeen hospital shortly after ten o'clock tonight, from injuries he received when he was knocked down by a car, driven by J. O. Sandvig, who is held in the city jail on manslaughter, driving while drunk and liquor possession charges. Bohm was struck as he was getting off a street car in South Aberdeen earlier in the evening, and the street car conductor told police that the car was traveling over 35 miles an hour. Bohm was badly mutilated by the car and identification was difficult but papers found on his person gave his address and friends identified him by his clothing.

MAIL BAZDITS NOT SEEN

NO CLUE IS FOUND TO CRIME; CLERK NEAR DEATH

SANTA ANA, Cal., Aug. 25.—(By Associated Press.) — After nearly 24 hours of investigation, detectives and postal inspectors working on last night's robbery of the combination mail and express car of northbound Santa Fe train No. 75, admitted tonight that not a single outstanding clue has been unearthed.

The crime was committed while the train was in motion probably between Ocean Side and San Juan Capistrano, and the robbers who are believed by investigators to have dropped off when the train slackened its speed at the latter town admitted they have made a clean get-away for the time being at least.

Authorities reconstructing the crime have reached the conclusion that not less than two men and possibly four took part in the robbery. Entrance to the car was gained by use of a rope ladder fastened to the roof.

Both postal inspectors and American railway express officials say that nothing of large value was taken by the looters. Though the car was looted from end to end, the only sum which is known to have been taken is $27 from the express company's strong box.

Elmer L. Campbell, express messenger who was shot through the head by the robbers, continued to cling to life tonight at the Santa Ana community hospital, but physicians declared that he has virtually no chance of recovery.

SUSPECT IS IDENTIFIED

MAN TAKEN INTO CUSTODY BELIEVED SAFE BLOWER

LEWISTON, Idaho, Aug. 25.—The alleged safe blower wounded last night at Ahsahka by Deputy Sheriff Fred Erskine of Nez Perce county, has been identified as Donald Mathewson, wanted throughout Idaho and Washington for safeblowing and robberies. The identification was made by Sheriff Fred L. Dizes of Valley county, who followed Mathewson and his pals from the southern part of the state where several robberies had been committed. William Chapman, a member of the alleged robber gang, was arrested in Valley county about two weeks ago and gave the names and descriptions of Mathewson and Ernie Miller who is still at large. Posses of five counties are combing the upper Clearwater valley for Miller, feeling that he has not been able to escape from the country.

Mathewson was shot through the intestines and his condition is very critical.
