THERE IS A FELLOW OUT AT THE edge of Salem with a nice little bungalow home and a garage and chicken house and 5 acres of fine land and a nice little trout stream and he only wants $3500 and he'll trade it for a nice Salem home of equal value. We still have that nice 7-room Salem home in close and modern and food and worth $5250 to trade for an acre tract with neat small house near car line. A good store building and stock at little town near Salem worth $5000 to trade for a farm of equal value and there's a good living in the store and an old couple could handle it nicely; a right good 6-room house, not a professional beauty but mighty well worth the money for $1600; We would like to show you our idea of a $7000 home if you've any notion of a house that's dressed in silk and wears silk underclothes.
