A Safe Investment

A good used car of standard make when bought of a reliable house, is an investment wherein you take no chance to lose.

We have several good used cars, where you can get more value per dollar in transportation, than the amount invested. We invite you to call and look over our stock a few of which are listed below and be convinced as to their value.

Late Series 1-26 Packard 5-passenger sedan, 5 new tires and fully equipped, looks like new, you will agree with us that this is a REAL GOOD INVESTMENT AT $1750.00

Late Series 1-26 Packard 5-passenger touring, new paint looks and runs like new, has been driven less than 14,000 miles, you will have to see this to appreciate the value $1595.00

Superior Chevrolet Coupe, mechanically in good condition, new paint, lot of extras, there is a lot of value in this little car at $425.00

Late current model Hudson Coach, has about $160.00 in equipment, has been used very little, we can save you real money in this car at $1300.00

We also have several Buicks, Chevrolets, Fords, and Hudsons, on which we have placed prices to sell. If interested in a good used car and you cannot come in, a phone call will bring any one of them to your door.
