LADIES NEVER USE CUSS WORDS
And gentlemen shouldn't but either may be tempted to when a door sticks tight, a lock won't work or a window sash refuses to budge. Remember I am fully equipped and prepared to adjust these defects in connection with the handling of rentals. Tell your rent troubles to me. I will find you a house or rooms if you need them or will find you a renter if you want one.

I have to rent: several nice apartment suites, a 7 room house nicely furnished and some good unfurnished houses.

Have had calls recently for several good sized farms to rent for this season. Would also like to list some more farms for sale—40 acres up. Always in the market for a trade of any kind.

10 acres, close in, with 40,000 feet of lumber to sell or trade. Will take good car on this deal.
